## HIGH WATERS CAUSE ALARM NEAR AKLAVIK

Concern Felt for Traders And Trappers in Mackenzie River Basin

## MAN RESCUED FROM PERILOUS POSITION

AKLAVIK, N.W.T., June 8 (P).—While residents of this little Northern settlement kept a wary eye on rising ice-choked waters of the mighty Mackenzie River, concern was felt for traders and trappers along the Peel Channel of the Mackenzie delta.

As far as could be learned, there have been no casualties, but it is believed many have lost their supplies.

Reports that a trapper had been trapped by flood waters seven miles north of town brought out a rescue party in a boat. The trapper was found clinging to a chopping block, muddy water swirling around him.

## RISES FORTY FEET

Affected by the flood that forced a forty-foot rise in the Peel Channel, inundating plateau-situated Aklavik, Thunder River, a tributary of the Mackenzie, has experienced a sharp rise. At least one trapper, William Clarke, well known in the North, was forced to flee for his life on Thunder River.

Several residents of Aklavik have taken to boats, seeking refuge in the higher parts of the town, 1,700 miles north of Edmonton.

For the Americans and Indian Catholics Hospitals and the Indian residential schools have not been evacuated, although boats are moored nearby.

## SOCIETY GIRL FOUND IN DAZE

Miss Diana Battye, Missing Eight Days, Discovered Sobbing on Doorstep

LONDON, June 8 (P).—Diana Battye was found sobbing early today on a doorstep next door to the home of her fiancé, Michael Asquith, a week after a disappearance which mystified Scotland Yard.

The former photographer's model, called "Didi" by her fiancé, apparently was ill and was taken to the Asquith home.

"Although she was not incoherent," a friend of the family said, "she was not able to give an account of what had happened to her."

Doctors, Mrs. Leonard Hackett, the girl's mother, and Asquith were summoned hastily. Asquith, son of Hon. H. H. and Lady Cynthia Asquith, is a grandson of the late first Earl of Oxford and Asquith, former Prime Minister.

**SUFFERED PREVIOUSLY**  
The twenty-one-year-old girl suffered a previous loss of memory following a fall from a horse. Physicians forbade her to ride, but when her health returned to normal she resumed her equestrian activities.

Miss Battye's mother, Mrs. Leonard Hackett, of Binsfield, Berkshire, was inclined to believe threatening letters received recently by the young woman and her fiancé, were a hoax.

Police were seeking identity of the assailant who on the evening of the coronation slashed Miss Battye's forehead with a razor and fled before he could be apprehended.

The young woman vanished a week ago yesterday from the London home of Viscountess Long, a friend of long standing.

## SLIGHTLY IMPROVED

OTTAWA, June 8 (P).—Slight improvement was noted tonight by attendants in the condition of Sir Robert Borden. The aged statesman did not spend a very satisfactory night, but improved a little during the day.

## Starting on Her World Flight

Amelia Earhart Putnam, famous aviatrix, is bid farewell by her husband, George Palmer Putnam, just before she took off for Puerto Rico on the first stage of her round-the-world flight. Accompanied by Captain Fred Noonan, navigator, she paused last night at Dakar, West Africa, after a flight over the South Atlantic from Brazil.

## Perfect Conditions Enable Scientists To Study Eclipse

United States Army Aviator Gets "Splendid Results" Flying Nearly Five Miles Above Earth—Observers on Coral Isle in Mid-Pacific Jubilant Over Results Achieved

IMA, Peru, June 8 (P).—From an airplane nearly five miles up, from Andean peaks and from seaside stations, jubilant scientists reported late today they had observed and recorded the total eclipse of the sun under almost perfect conditions.

## TWO WARSHIPS BOMBARD CEUTA

Score of Shells Dropped Into Insurgent Port in Spanish Morocco

GIBRALTAR, June 9 (P).—Two warships navigating without lights bombarded Ceuta, Spanish insurgent port in Spanish Morocco, early today.

Shore batteries both at Ceuta and Carnet Point, which is on the European side of the Strait of Gibraltar, blazed away at the raiders as searchlights picked them out.

The attacking vessels fired more than twenty rounds at Ceuta. They could not be identified, but it was taken for granted they were Spanish Government warships.

## MADRID SHELLED AGAIN

MADRID, June 8 (P).—The capital, shelled early in the morning in a bombardment in which at least twenty persons were killed and forty injured, drew insurgent fire this afternoon and again tonight.

San Jose Church from a distance could be seen ablaze following the shelling.

New orders were given out that all lights in front rooms must be extinguished at 9 p.m.

The Cuban Embassy was damaged seriously by the early morning shelling but no diplomats were hurt.

## MINISTERS MAKE CHOICE OF TITLES

Sir Stanley Baldwin to Be Earl of Bewdley and Viscount Corvendale

LONDON, June 8 (CP-Havas).—Former Prime Minister Stanley Baldwin has selected the titles of Earl Baldwin of Bewdley and Viscount Corvendale, it was learned tonight.

The granting of letters patent revealed he had chosen Bewdley in token of having represented it in Parliament since 1908. Corvendale is the name of a Shropshire valley where his family was founded 300 years ago.

## ATTEMPT MADE TO SLAY JUDGE

Dozen Shots Fired at Man Who Sentenced Puerto Rican Rebels

SAN JUAN, Puerto Rico, June 8 (P).—United States Judge Robert A. Cooper, who sentenced eight Puerto Rican Nationalists to prison terms for conspiring to overthrow the United States Government on the island, escaped injury late today when between twelve and fifteen shots were fired at him.

He was returning to his home when the incident occurred.

Judge Cooper, former Governor of South Carolina, was in his car at the time of the incident.

**WINDSHIELD PIERCED**  
One bullet pierced the windshield, narrowly missing Detective Francisco Davila, the judge's personal bodyguard for the last year.

The assailants were grouped about an automobile, upon which they appeared to be working. As the judge's car passed them, they opened fire.

**TORONTO AMBULANCE DRIVER IS KILLED**  
VALENCIA, June 8 (CP-Reuters).—Isidor Kupchick, of Toronto, ambulance driver for the British medical aid corps to Spain, was killed today in an aerial bombardment of La Granja, thirty miles northeast of Madrid. La Granja is held by the Spanish Government.

**MONTREAL MAN HURT BY THUGS**  
Robbery Believed Motive for Attack on Former Club Operator

MONTREAL, June 8 (P).—From the meagre description obtained by a passing motorist, police are attempting to trace a car in which three armed men fled after assaulting Marc "Max" Shapiro in front of his suburban Hampstead home.

The former club operator is recovering from a deep scalp wound suffered when beaten over the head with a revolver—but after the trio accosted him early Sunday outside his home on Montreal's northwest limits. He was discharged from hospital after treatment for what doctors feared at first was a fractured skull.

## Three at Least Killed in Crash

MEDIAPOLIS, Ia., June 8 (P).—Three persons were killed and a fourth probably fatally injured here today in a head-on crash between a heavily-laden truck and a passenger bus. At least eight others suffered injuries, some of them serious.

## MUST AWAIT PUBLICATION OF REPORTS

Prime Minister Unable to Divulge Proceedings of Imperial Conference

## NO SPECIAL MEETING FOR RAILWAY HEAD

LONDON, June 8 (P).—Reminding the House of Commons that proceedings of the Imperial Conference are confidential, Prime Minister Chamberlain tonight declined to make a statement concerning its deliberations.

He stated the report of general proceedings would be published after the Conference ends, probably on June 15, and that "one or two committee reports may be authorized for publication in advance."

## CONCLUDE REVIEW

The principal delegates today concluded their exhaustive review of the Pacific and Far Eastern problems. It was learned: Later Japanese Ambassador Yoshida talked half an hour with Prime Minister Joseph Lyons of Australia, presumably concerning Australia's proposal before the Conference for a pact among nations with interests on the Pacific Ocean.

While it was declared the conversation had no diplomatic importance, it was held significant because it was believed to be the first direct contact between Australia and Japan since the proposal was offered.

Insistent sources indicated the committee considering shipping problems would not hold a special meeting to discuss the Pacific Ocean.

## Lord Tweedsmuir Narrowly Escapes Falling Stone

CAMPBELLTON, N.B., June 8 (P).—A 500-pound coping stone fell from the top of the Campbellton Station Building yesterday, crushing an express truck on the spot where Lord Tweedsmuir had stood a few seconds previously. Lord and Lady Tweedsmuir and their entourage were on their way to Halifax. The Governor-General was about thirty feet away when the stone toppled.

## ASKING HUGE SHIP SUBSIDY

President Roosevelt Wants Congress to Pay for New Merchant Marine

WASHINGTON, June 8 (P).—President Roosevelt proposed today that the United States Government contribute \$100,000,000 toward the cost of a new merchant fleet of ninety-five vessels.

Declaring the American merchant marine is in a bad way, he asked Congress for \$10,000,000 to subsidize an immediate start in construction. At the same time he recommended that the legislators authorize the Maritime Commission to enter into \$150,000,000 of ship construction contracts next year.

**PROJECTED PROGRAMME**  
Joseph P. Kennedy, chairman of the Maritime Commission, said the new fleet would consist of sixty cargo vessels, twenty-four passenger and cargo ships, one liner similar to the United States Line's present Manhattan, and ten high-speed tankers.

Kennedy said he had received assurances from private ship operators that they are ready to build twenty-eight ships in a period ranging from the next eighteen months to three years.

Kennedy foresaw one possible stumbling block to the programme, expressing belief that lack of ship-building in the past fifteen years may have created a shortage of skilled labor in this field.

## GETTING OBSOLETE

In recommending \$10,000,000 to start the construction, President Roosevelt asserted that over 85 per cent of the present American merchant marine will be obsolete in five years.

The President told reporters that the only way America can get a merchant marine, is to buy it. Except for oil tankers, he added, not a single sea-going vessel of a general cargo or passenger type is being built in an American shipyard; and no such ship has been built here for another country in fifteen years.

## Army Flyer Missing for Many Hours

SALT LAKE CITY, June 8 (P).—Capt. D. W. Goodrich, of the Army Air Corps, announced tonight Major C. Hodge, flying from Reno to Salt Lake City, has been unreported since 12:45 o'clock this afternoon.

"Major Hodge was flying from Reno to Boston, evidently alone," Captain Goodrich said.

"He left Reno at 10 o'clock this morning, and at 12:45 had radioed his position over Elko, Nev.: 'At 14,000 feet—can't make out position'—lost."

"We have had no word from him since. We propose to start a search as soon as possible in the morning." Elko is 200 miles west from Salt Lake City by air.

## Reiterates Intention Of Britain to Stand By Monetary Policy

Sir John Simon, New Chancellor of Exchequer, Makes It Clear No Change Contemplated—Tripartite Obligation Declaration Fulfilled

LONDON, June 8 (P).—Great Britain's fidelity to the tripartite monetary agreement was reiterated in the House of Commons today by Sir John Simon, the new Chancellor of the Exchequer.

"We intend to continue in the course we have followed and there is no ground for supposing we are contemplating a change," Sir John declared when questioned as to whether the Government contemplated a return to the gold standard.

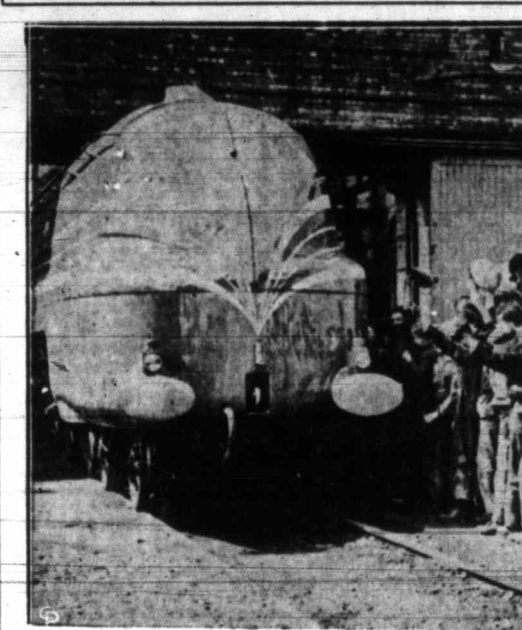

## REMAINS AS BEFORE

"British monetary policy remains as laid down by my predecessor (Neville Chamberlain) in his statement to the World Economic Conference in 1933, in declarations by delegates of the British Commonwealth at the same conference, and in the tripartite declarations of last September."

"No change in this policy is contemplated." The tripartite agreement between Great Britain, the United States and France provided for a measure of currency stabilization and general co-operation in monetary matters by the participating nations.

### First "Coronation Scot"

Workmen at Crewe, England, are shown above cheering as the first "Coronation Scot" is finished at a plant there. The new train will be used on the six and one-half-hour service between Euston and Glasgow. Other trains will be completed and put into service later.

## Ignored Reports Advising Further Work Unjustified

Geologist Testifies Regarding Adverse Prospects Of Hedley Amalgamated Reported Two Years Ago—Former Secretary Admits Buying 40,000 Shares at Half Market Price

VANCOUVER, June 8 (P).—A British Columbia geologist told a police court magistrate today that two years ago he reported that prospects of Hedley Amalgamated Gold Mines, Ltd., hardly justified further work on the property.

## PROTESTS ARE NOT REGARDED

Alberta Legislature Recedes To Await Arrival of Social Credit Expert

EDMONTON, June 8 (P).—Over the protests of Liberal and Conservative members, the Alberta Legislature adjourned today until June 14.

"We are wasting a lot of time," exclaimed Conservative Leader Dugan when Premier Aberhart proposed the recess to enable the Government to confer with G. F. Powell, emissary of Major C. H. Douglas, who will arrive here on Thursday from England.

## PLENTY TO DO

"Let's get down to business," the Conservative leader continued, pointing to several bills on the order paper which might be discussed without touching on Government legislation relating to Social Credit.

The Premier said the recess was designed to give the Government time to consult the Social Credit expert sent to Alberta by Major Douglas. There was no use going ahead unless the course was plotted expertly. It would be a short recess, just a few days.

The adjournment motion passed with Liberals and Conservatives shouting their dissent, but there was no recorded division.

## Early Vote Shows Lead For Repeal

ATLANTA, June 8 (P).—A 7,000-vote lead for repeal of Georgia's twenty-two-year-old prohibition law was shown tonight on returns from 761 precincts of 1,700 in the state in today's election, giving:

For repeal, 35,597; against, 48,974. Returns from 218 precincts showed a trend for adoption of twenty-five constitutional amendments, including old age pensions and other social security benefits, tax exemptions for home owners and a revision of the tax laws.

Group of British Members Urge Continuation Empire Trade Expansion

## FEAR PROPOSED PACT WITH UNITED STATES

LONDON, June 8 (P).—A group of members of Parliament today decided to oppose any modification of the policy of Imperial preference and urged Prime Minister Chamberlain to continue a programme of building Empire trade for members of the Empire.

The stand was taken by the parliamentary committee of the Empire Industries' Association almost at the same time Oliver Stanley, President of the Board of Trade, assured the House of Commons the United Kingdom Government was keeping Dominion representatives closely informed of discussions with the United States in regard to a trade agreement between Great Britain and that country.

## EXPLORATORY DISCUSSION

Stanley said the discussions were "informal, exploratory and necessarily confidential." The object of these discussions, he said, "is to determine whether there exists any basis for the negotiation of a trade agreement." He would inform the House "if and when they reach a position when I can usefully make a statement."

The parliamentary committee at an "emergency" meeting voted opposition to any trade agreement that would work a hardship on commerce of the Dominions.

## DIVERS SOLVE OLD PROBLEM

Special Air Pressure Chamber Used in Treatment of "Caisson Bends"

MILWAUKEE, June 8 (P).—Max Eugene Nohl, of Milwaukee, and Captain John D. Craig, of Long Beach, Calif., deep-sea divers who have their eyes on the gold lockers of the sunken liner, Lusitania, are believed to have solved a decompression problem today which may greatly aid their quest.

The two men entered an air pressure chamber specially built at the County Emergency Hospital for the treatment of "caisson bends." They remained for more than an hour under pressure of more than 112,000 pounds.

**NITROGEN ELIMINATED**  
While in the chamber, they breathed almost pure helium in an experiment designed to show that by eliminating nitrogen from the air supply they could conquer the "bends" or cramps caused by solution of nitrogen in the blood stream, which divers ordinarily suffer unless they go through a slow and lengthy decompression period.

Nohl and Captain Craig, risking their lives, stepped from a pressure of nearly forty-two pounds to the square inch of body surface to normal atmospheric pressure in the space of two minutes and remained unaffected. It ordinarily requires forty-seven minutes for decompression from this pressure.

**NO HONORS LIST WILL BE ISSUED**  
Trooping of the Color to Mark Official Celebration of King's Birthday

LONDON, June 8 (P).—No honors list will be issued tomorrow in connection with the official celebration of the King's forty-first birthday, it was announced today.

The decision was made because it is less than a month since the lengthy Coronation honors list was announced.

The King actually was forty-one last December 14, but it is customary, when a sovereign's birthday falls in the Winter, to hold the public observance during the more favorable months.

The chief ceremony tomorrow will be the trooping of the colors by household troops on the Horse Guards' parade.

## VOTE SUPPORT OF SIR JOHN SIMON

National Liberals Express Confidence in Leader and Support Of Government

LONDON, June 8 (P).—A meeting of National Liberal members of Parliament today passed unanimously a resolution of "complete confidence" in Sir John Simon, the party's leader. The party also voted its full support to Prime Minister Chamberlain and his Government.

The voting dispelled rumors of a "revolt" against Sir John's leadership because of "dissatisfaction" of the National Liberals with their share of appointments in the reshuffled Ministry. There were four National Liberal members in the Baldwin Cabinet.

In the present Cabinet the numerical representation was maintained.

## B.C. Fighting for Marketing Control Legislation Afresh

Reference Taken on Constitutional Grounds to Appeal Court to Determine Validity of Attacked Statute—Government Is Determined

BRITISH Columbia's Government launched its fight to retain control over agricultural marketing this week, when Premier and Attorney-General T. D. Pattullo briefed Senator J. W. deB. Farris, K.C., to submit the validity of the British Columbia Natural Products Marketing Act to the Appeal Court, under machinery created by the Determination of Constitutional Questions Act. June 24 was set for the hearing before the Appeal Court.

This procedure, it was explained at the Legislative Buildings yesterday, by Hon. K. C. MacDonald, Minister of Agriculture, will shorten up the process of obtaining a direct ruling on the validity or otherwise of the British Columbia statute, already declared ultra vires of the Legislature by a Supreme Court judgment given by Mr. Justice A. M. Manson.

**WOULD REDRAFT**  
Back of the manoeuvre was the hope that the marketing statute could be kept alive in British Columbia until such time as the Nineteenth Legislature is called into session, and can redraft the law in some other form. In the event of a reversal in the Appeal Court, as well as in the Supreme Court, the Government is prepared to take the issue to the Privy Council, Dr. MacDonald said.

Meanwhile, the Provincial Marketing Board, and all commodity boards set up under the statute, have come to a standstill in their work. They will not, however, be disbanded, the Minister of Agriculture said.

## Fine Showing by the Canadian Scottish

The above picture shows Brigadier D. J. MacDonald, D.S.O., M.C., O.C. Military District No. 11, and reviewing officers inspecting the Second Battalion (M.G.), Canadian Scottish Regiment, at the Caledonian Grounds, Nanaimo, last Sunday. Following the inspection, the Brigadier warmly commended the unit on its fine showing.

## BID FAREWELL TO MINISTER

Rev. E. W. and Mrs. Horton  
Recipients of Many Gifts  
At Reception

A large number of members of the congregation attended the farewell reception tendered Rev. E. W. and Mrs. Horton in the schoolroom of the First United Church last evening. Rev. Dr. W. G. Wilson presided.

Mr. Horton has been assistant to Dr. Wilson for the past two years and will leave tomorrow for his new pastorate at Murrayville. A number of presentations were made to the departing couple from the church and various organizations in the congregation.

The farewell address was given by James Strang of the session of the church. Mr. Strang spoke of the good work accomplished by Mr. Horton and the high esteem in which he was held by the congregation.

Mrs. A. S. Christie presented Mr. and Mrs. Horton with a chest of silverware on behalf of the congregation, while Group "B" of the Women's Association presented them with a silver case. Mrs. J. B. Munro made the presentation.

### LIFE MEMBERSHIP

In view of his great interest in the missionary work, Mr. Horton was presented with a life membership in the Women's Missionary Society, and Mrs. Horton was given a life membership in the church society. This presentation was made by Mrs. A. C. Chisholm.

Miss McKillop presented them with a case of tea-spoons from the Golden Link Missionary Auxiliary. Baby Betty Horton was given a silver cup on behalf of the C.G.I.T. by Miss C. Crawford, and a baby bank with a substantial deposit from the congregation, presented by Mrs. A. S. Christie.

The evening was also in the nature of a social reception for the newly-received members of the congregation. Addresses were made by Professor E. S. Farr and Alderman W. T. Straith.

A musical programme concluded the enjoyable evening, with George H. Peaker at the piano.

## Royal Duchesses Honored by King

LONDON, June 8 (AP).—The London Gazette announced today the King had appointed his sisters-in-law, the Duchess of Gloucester and the Duchess of Kent, to the Imperial Order of the Crown of India. Other feminine members of the Royal family, including Queen Maud of Norway, already hold the Crown of India Order.

### KING ATTENDS COUNCIL

LONDON, June 8 (CP-Havas).—The King attended a meeting of the Privy Council this afternoon on his return from Windsor, where he spent the week-end.

## CROP TO AID ENTIRE WEST

Rainfall on Prairies May Bring About Improved Economic Conditions

"If the Prairies have a normal crop this year, it will make a wonderful difference, economically, not only to them but to the entire West," commented Bruce Boreham, press representative for the Canadian National Railways, Western division, yesterday. Mr. Boreham, who is making his annual coast tour, is registered at the Empress Hotel from Winnipeg.

Though there had been considerable rainfall about Winnipeg, and scattered showers in the areas worst afflicted by drought, there was still danger to the growing crop from rust and grasshoppers, he pointed out.

Mr. Boreham declared all evidence points to the best travel season in years. This is due, in his opinion, to the fact that there is more money in circulation, that cheaper fares exist, and that the majority of trains in operation are now air conditioned throughout.

Reservations at Jasper Park Lodge have been taken well in advance, and an exceptionally good season is anticipated, he pointed out.

Mr. Boreham conferred with George I. Warren, commissioner, Victoria and Island Publicity Bureau, yesterday afternoon. He leaves for Vancouver this afternoon.

## CANDIDATE'S FINE SHOWING PRAISED

Appreciation of Work of Leslie Osborne Voiced by Conservatives of Saanich

Appreciation of the splendid showing made by Leslie Osborne in the recent Provincial election was expressed at the monthly meeting of the Saanich Conservative Association, held in Conservative headquarters, Campbell Building, last evening.

Mr. Osborne warmly thanked party workers for their efforts. "The enthusiasm shown augurs well for the future," he declared.

A committee on amendments to the constitution submitted a comprehensive report. It is anticipated that an improved constitution will

## B.C. Statutes Consolidated in Lengthy Task

COMPRISING one of the longest and most painstaking tasks imaginable, consolidation and revision of public statutes of British Columbia have been achieved, and the result is being printed by the King's Printer in fifteen hundred sets of four volumes each. The actual revision and consolidation was done under the direction of A. V. Pineo, British Columbia legislative counsel, who worked steadily for two years on the task. The revised edition received the approval of the Eighteenth Legislature last Fall. The previous revision was effected in 1924.

result from the discussion that was held.

A report of a successful dance recently held at Lake Hill was also submitted.

Several new members were received into the association. Tentative plans for the annual picnic to be held in July were discussed. The date of the affair will be decided later.

W. H. Carr, president, was in the chair.

## CHURCH SEEKING BETTER FEELING

Presbyterian Church Officials to Attempt Settlement of Difficulties With United Church

OTTAWA, June 8 (AP).—The Presbyterian Church in Canada will continue negotiations in the coming year with the United Church towards reducing, or removing, legal technicalities which have disturbed relations of the two churches for some years.

The board of administration, which was in consultation last year with the United Church, was empowered to continue its work.

### DECISIONS ACCEPTED

Also referred to the board were overtures by the Synods of Alberta, Saskatchewan and Manitoba that settlement be aimed at seeking restoration of all Presbyterian bequests obtained by the United Church since 1925; acceptance of court decisions that the Presbyterian Church is outside the United Church of Canada, and immediate discontinuance of alleged United Church propaganda declaring the Presbyterian Church in Canada went into the union.

## BOY STRUCK BY LIGHTNING BOLT

Bellingham Youth Survives Strange Experience—Suffers Painful Burns on Feet

BELLINGHAM, June 8 (AP).—Raymond Ogden, sixteen-year-old Clear Lake youth, was struck by a bolt of lightning late tonight and lived to tell the story of his strange experience.

At the Mount Vernon Hospital where Ogden was rushed after Attorney Reuben Youngquist, of Mount Vernon, had noticed his limp form lying on the Clear Lake Road, a mile from the city limits, attendants said the youth had regained consciousness and was suffering principally from painful burns on his feet. The burns, they said, were the only marks left by the bolt which knocked Ogden unconscious.

Youngquist said he observed a shaft of lightning in the road a few rods ahead of him as he was driving into Mount Vernon, and as he drove on, noticed the form lying on the pavement.

Revived at the hospital, Ogden said he had been at a picture show and was walking home when struck by the bolt.

## Percy B. Scurrah Is Given Honor

Percy B. Scurrah, Victoria, has been elected a member of the board of directors for Canada and Newfoundland of Rotary International, according to a cable received here yesterday by Mrs. Scurrah. Mr. Scurrah is attending the convention being held at Nice, France. He will go to Zurich to attend the opening meetings of the new board and will then proceed to other European points and London, before returning home.

## VERIGIN APPEAL OPENS IN NELSON

Doukhobor Leader Seeks to Unset Conviction and Sentence For Vagrancy

NELSON, B.C., June 8 (AP).—Appeal of Peter Verigin, spiritual leader of Doukhobors in Canada, from conviction and sentence on a vagrancy charge, opened before Judge W. A. Nisbett in County Court here today. Verigin was convicted at Castle-gar, near here, six weeks ago, and sentenced to three months' hard labor and fined \$50. The charge was laid following an incident on the Rossland-Castlegar Highway.

Alfred Erickson, of Rossland, testified today that on April 4 last Verigin's car was drawn across the road forcing him to stop. He said Verigin was gesticulating and talking in Russian and swearing in English. A truck stopped behind Erickson, the latter said, and the truck driver translated, saying Verigin accused him of passing on the wrong side of the road. Erickson denied doing this.

He said Verigin tried to stop him on three more occasions, forcing the Erickson car far over on the wrong side of the road when he attempted to pass the Doukhobor leader's vehicle.

The case was adjourned to Thursday.

## WOULD IDENTIFY THREE ROBBERS

TORONTO, June 8 (AP).—Reversing his former stand, Abe Orpen, elderly race track owner, tonight announced he would identify the three men who robbed him of \$1,000 if police brought them before him. He said he still would decline to furnish information to aid in their arrest. Previously he stated he would not identify the thugs though they were caught.

"I am a private citizen," the eighty-three-year-old sportsman said. "I'm not a policeman and I don't intend to go out hunting for them."

Police today announced a \$500 reward for capture of the robbers. They said no early arrests were expected, as search for fingerprints were unavailing.

## SPLIT OVER MISSION AID

Division in Presbyterian Assembly Over Church Missionary Work

OTTAWA, June 8 (AP).—Declining to countenance any suggestion of retrenchment in its missionary work, the General Assembly of the Presbyterian Church in Canada today decided on expansion of such activity in authorizing appointment of two secretaries to the Board of Missions, one for the domestic field and one for the foreign.

It was the most important item of church policy to arise since the assembly convened last Wednesday and the debate, which covered a full day, waxed warm and at one time reached such a pitch several pleas for the strict observance of principle and abandonment of personalities were made.

### CRITICIZES OVERHEAD

Dr. J. S. Shortt, of Barrie, convenor, explained the committee to survey church policy felt an overhead of \$30,000, for purely administrative and supervisory work, would cause comment in the congregations. Perhaps it might cause some to reduce their church contributions.

Rev. W. M. MacKay, synodical missionary in charge of a great area in Northern Ontario and Manitoba, upheld the work and to support his opposition to the proposal informed the assembly his resignation was before them. It was not acted on.

Dr. J. B. Skene, Toronto, said it was no time to proclaim the Presbyterian Church was closing its purse strings to God.

### DENOUCE RETRENCHMENT

From East and West came denunciation of the policy of "cheapness" and "cheese-paring." Rev. S. Farley, Regina, said the Presbyterian Church must extend its missionary work in the West or "haul down its banner and leave the field to the United Church."

As the vote which retained the missionaries and authorized the appointment of the new secretaries was taken, all the fires died, and full of harmony and good fellowship, the commissioners proceeded with the even tenor of their deliberations.

Nominations for home missions secretary will be called during 1937. Those for foreign secretary will be asked when the board of missions decides they are required.

## MODIFICATION OF POLICY OPPOSED

Continued from Page 1

Members said later they feared the Dominions might be asked to make sacrifices by losing part of their trade within the Empire if an Anglo-American pact were effected.

the British protective tariff be maintained in the "cause of national protection and Empire preference."

It resolved: "While welcoming negotiations of trade agreements with any countries consistent with that policy of Empire preference, the committee declares its emphatic objection to any action which would in any way interfere with full development or even weaken the present effectiveness of our domestic and Imperial tariff system or which would sacrifice home and Empire production for the sake of some illusory project for the revival of economic internationalism."

### MUST BE PATIENT

Stanley told the House, in reply to a Labor question, that success in the trade discussions "can only be obtained as a result of a great deal of patience and very difficult preparation. I am sure the House will want to do nothing to make it more difficult," he added.

He was replying to Ellis Smith's expressed hope "no sectional or vested interests would stand in the way" of a satisfactory trade agreement.

"His Majesty's Government are as fully anxious as anyone else to derive the benefit of such an agreement," Stanley said.

## REFUNDING SCHEME SUPPLIED COUNCIL

Full information on refunding a \$200,000 bond issue at Grant's Pass, Oregon, has been mailed to the City Council by John Dean. Details showed that the city saved a bond issue bearing interest of 6 per cent in 1914, to be retired in 1942 but callable in 1938. Through refunding at 4 per cent, the city saved over \$80,000.

It was a rather saucy show, and Ethel's uncle remarked:

"I'm a bit disappointed, dear. I do not think this is the sort of play for a girl of your age."

"Don't worry, old bean. It'll liven up in a bit, I expect," was Ethel's retort.

# Nazi Press Demands German Make Choice Of Hitler or Vatican

Claim No Religious Leadership but Purely Secular Centre of Power in Rome—Two Catholic Brothers Sentenced for Immorality

BERLIN, June 8 (P).—The official Nazi press demanded today that Germans choose between Chancellor Hitler and the Vatican. The latest manifestation of the breach between church and state was published in the party newspaper Westdeutscher Beobachter at Cologne.

"We must now demand one single decision," the Government-controlled newspaper stated editorially. "Are you willing to obey Adolf Hitler more than a church government, which long ago became a secular power?"

**PURELY SECULAR**  
"It is quite evident in Rome that there is not a religious leadership but a purely secular centre of power, fighting to maintain its suzerainty over whole peoples."

Trials of Catholics on immorality charges were continued at Koblentz, where two Catholic brothers were sentenced to two and one-half years and one year in prison, respectively.

The Cologne newspaper's editorial was another of the many in the past few weeks directed against Pope Pius for his failure to rebuke Cardinal Mundelein of Chicago, who criticized Hitler and charged undue publicity was given to trials of German Catholic monks and lay brothers on charges of immorality.

**CONTINUE CRITICISM**  
The press continued its criticism of the cardinal and the Vatican on this count, but took no outward notice of the Sunday incidents which included fist fighting in Munich.

The outbreaks occurred during celebration of the "Sunday of Youth." Priests led processions of Catholic youths through the streets amid jeering from Nazi youth groups.

Joseph Goebbels, Propaganda Minister, had warned in his speech on May 28 that Catholic clergy might be haled into court if the

## Will Play at Portland Rose Festival

By permission of Lieut.-Colonel Walter Barty, O.C., the Pipes and Drums of the Second Battalion (M.G.), Canadian Scottish Regiment, will proceed on Thursday at 4:30 p.m., by Seattle boat en route to Portland, to represent the city in the Rose Festival parade, to be held on Friday and Saturday. The band will be under the command of Pipe-Major Donald Cameron, W.O., and will consist of from twelve to fourteen pipers and seven drummers. Among those going will be Pipe-Major Cameron, Sgt.-Piper Duncan, Drum-Major R. Moir, Pipe-Cpl. McClure, and Pipers Tod, Ewing, Stewart, Tait, Wilson, Ferguson, Miller, Knight; Drummers R. Moir, Gillan, McKinnon, Motion, Crawford and Cook. Major R. D. Harvey will be in charge of arrangements, assisted by R.Q.M.S. Turner, of the Second Battalion (M.G.) on Sunday last, at Nanaimo.

church again questioned fairness of the immorality trials, but there was no apparent action today—despite reading of answers to the speech in some Catholic churches on Sunday. Nevertheless, it seemed likely that

Goebbels' address charging widespread immorality among German Catholic clerics had heralded a fight to the end.

The conflict between the Vatican and Nazism has come to a head with a rapidity that has caused universal surprise here.

### Obituary

**RAMSEY**—There passed away at St. Joseph's Hospital, yesterday afternoon, Mrs. Edith Ramsey, aged fifty-two years. She was born in London, England, and had been a resident of Victoria and district for the past twenty-seven years, her late residence being Hollywood Road, Marigold, Saanich. She is survived by her husband, five daughters, one son, three sisters and two brothers. The funeral will take place on Friday at 2 o'clock in Sands Mortuary, Ltd. The remains will be laid at rest in Royal Oak Burial Park.

**WILLIAMS**—Henry Williams passed away Monday at Rest Haven, Sidney, aged eighty years. He was born on Discovery Island and had lived in Victoria and Saanich since his life. He leaves one son, Ned, and one daughter, Mrs. J. Sams, at home. The remains are resting at Sands Mortuary and funeral services will be held at the residence at Saanichton this morning at 10 o'clock, after which interment will be in East Saanich Catholic Cemetery.

The remains were laid at rest at the Royal Oak Burial Park.

**McKICHAN**—The funeral of the late Mrs. Amy Margaret McKichan took place yesterday afternoon from her home at Saanichton. Relatives and many friends were in attendance and the many beautiful flowers testified to the high esteem in which

### Railway Board To Hold Sitting Here Tomorrow

HON. Hugh Guthrie, chief commissioner of the Railway Board of Canada, and his fellow commissioners, J. A. Stoneman and G. A. Stone, will hold a sitting here tomorrow. The commission, at its session in Vancouver, concluded hearing of the application of the Canadian Freight Association to impose demurrage charges on grain cars held by public and semi-public elevators prior to unloading.

Mrs. McKichan was held. Rev. Thomas Keyworth conducted an impressive service and the pallbearers were D. Heyer, W. A. McClure, T. Gowdy, S. Stoddart, Capt. W. R. Bisset and Capt. N. Gray. The remains were laid at rest in Shady Creek Cemetery.

**WATKINS**—The funeral of Charles Watkinson will take place from Haywards B.C. Funeral Chapel this afternoon at 2 o'clock. Rev. Alan Gardiner conducting the service. Interment will be made in Colwood Burial Park.

### REPORTS WATER UNFIT TO DRINK

Nanaimo Council Decides to Notify Provincial Officer Asking for Remedy

NANAIMO, June 8.—A letter read at the City Council meeting tonight from Analyst H. Darling, of Nanaimo Hospital, pronounced a sample of "tap" water recently analyzed to contain an extremely high degree of pollution and to be unfit for human consumption. Mr. Darling urged the discontinuance of the Chase River supply, the bacterial content of which he claimed was unquestionably faecal in origin.

In speaking to the communication, Alderman Drake, of the waterworks committee, pointed out that Chase River water had been disconnected from the city water prior to the receipt of Mr. Darling's report; and that, as Chase River was in unorganized territory, the provincial medical health officer should be notified.

**UP TO GOVERNMENT**  
Alderman Inkster stated that much had been said about health insurance during the past two months and he thought it was up to the Government, if sincere in the desire to foster better health conditions, to clean up the Chase River water mess by helping the city to bring in all the water Nanaimo required from the South Forks dam.

Mayor Barsby said he concurred with the alderman's remarks. The city of Nanaimo only wanted to borrow money from the Government to finish their work on the South Forks pipeline, and was turned down. The meeting decided that the provincial medical health officer should be notified of the condition of Chase River water, which seeps into the city's supply, and asked to remedy it.

**WASTEFUL SPRINKLING**  
Water wasters in the city of Nanaimo are asking for drastic water restrictions by allowing unnecessary sprinkling to continue for many hours each day and night, the City Council decided tonight, and the council empowered the waterworks committee to take action if necessary. Last year there were no water restrictions. This year the water drawn in one day during the dry spell jumped from the average 800,000 gallons per day used to 1,500,000, while aldermen watched pools of water running down city streets while householders nonchalantly ignored the waste.

Fire Chief Bramley Benton will attend the Fire College convention on June 14 and 15, the board tonight decided.

## WILL ATTEND BIG MEETING

Local Credit Men to Be Represented at Spokane Convention

At the closing luncheon meeting for the season of the Credit Granters' Association of Victoria held yesterday in Spencer's dining-room, announcement was made of the delegates who will attend the Credit Granters' convention of America, which assembles in Spokane next week.

Victoria will be represented by Oliver M. Prentice, of David Spencer, Ltd.; Harry B. Dawson, manager of the local Credit Bureau; Leo E. Evenden, of Hudson's Bay Company; E. P. Johnston, of The Colonist Printing & Publishing Company; and Leonard W. Cox, of the Paint Supply Company.

The Victoria delegation will leave here next Monday for Seattle, where it will join the Seattle and other delegations, and at 9:20 will board a special train which is carrying the party to the convention city. The party will reach Spokane on Tuesday morning and the convention will continue in session over Tuesday, Wednesday, Thursday and Friday.

Leaving Spokane on Friday night by special train, Victoria delegates will travel west with the Northwestern delegations and arrive back in Victoria on Saturday afternoon.

**DISCUSS CREDIT**  
The luncheon meeting yesterday was presided over by G. A. A. Hedden and was the last one to be held until the reassembling of the association in September. The exact date of the opening of the Fall meeting season will be announced later by the executive.

The secretary and the other officers of the association were thanked for their interest in the affairs of the organization during the past season. The programme consisted of a number of discussions relative to the situation of trade in the city and in the country generally, together with the offering of advice along the line of maintaining a healthy condition and the return of an improved state of affairs.

## Brake-Testing Equipment

Realizing the urgent need of absolute precision and perfection in the brakes of the modern car, The Motor House (Victoria) Limited, have installed the very latest word in scientific brake-testing equipment. This unit, for it takes the form of a platform on to which the car is driven, also includes the Bendix-Permag wheel alignment equipment.

For an accurate reading of the precise condition of the brakes, the car is driven on to a platform, and the brakes are pitted against the pull of a moving roller which turns the wheel. The individual performance of each brake on the car is automatically recorded on a dial which are in plain view. In this way it is possible for the mechanic to instantly detect such defects as "out-of-round" brake drums, poor or worn brake linings or other similar troubles. He is enabled to make perfectly synchronized adjustments on each wheel, insuring smooth, positive action of the brakes. It is becoming more and more imperative that the adjustment of brakes should be removed from the possibility of human error and placed in the field of scientific certainty. Greater road speeds, smaller wheels and consequently greater heat generated, place a strain on brakes which calls for absolute perfection.

The wheel alignment equipment is designed to automatically gauge the abrasive action and to check steering geometry. The car is driven on to a set of plates and turntables which instantly record any deviation from the true, accomplishing a tremendous saving in tire wear.

## Plan for Youth of Province Discussed By Committee Head

Alan Chambers, Back From Ottawa, Explains Federal-Provincial Scheme Proposes Expenditure Of \$200,000—Confers With Government

ALAN Chambers, of Victoria, chairman of the National Youth Employment Committee advising the Government, and Mrs. A. J. Lindal, of Winnipeg, chairman of the women's advisory group, arrived in Victoria yesterday.

Mr. Chambers and Mrs. Lindal conferred with E. W. Griffiths, unemployment-relief administrator, and Hon. George S. Pearson, Minister of Labor, and discussed with them Federal-Provincial plans for the training of youth and their re-absorption into unemployment.

The immediate object of the visit is to correlate the programme of youth work of the Dominion with that of British Columbia. At the last session of Parliament, Hon. Norman Rogers, Federal Minister of Labor, received a vote of \$1,000,000 to be expended throughout Canada, of which the share of this Province is \$100,000. The Province will find dollar for dollar for training and employment projects for young unemployed people, a scheme which is the first of its type in the history of the Dominion.

The money was voted as a direct result of the work of the committee. Young unemployed men and women over the age of eighteen are eligible for assistance under the plan.

**TO AID GOVERNMENT**  
"Our business in Victoria is to assist the Provincial Government in formulating projects for the application of this vote, which, in turn, will be reported to Ottawa, and subsequently administered by the Province," said Mr. Chambers.

He suggested that because of advanced economic recovery in this province, the nature of the problems of the re-establishment of unemployed persons in British Columbia today are typical of the problems that will soon face other parts of the Dominion.

"The way in which these problems are faced in the recovery which this province is making, and the experiments so conducted will then, in my opinion, be a model for the entire Dominion," he declared.

Mr. Chambers specifically mentioned forestry camps, camps to train prospectors, physical education and adult education as steps already undertaken here that would be duplicated elsewhere in the Dominion.

**PRAIRIES INTERESTED**  
The three Prairie Provinces were most interested in the work that had been done in British Columbia, he said. Within the last few months he has worked out agreements with Alberta, Saskatchewan, Manitoba and Nova Scotia.

He suggested that in so far as the Prairies were concerned, the commission had attained results for which it had not received credit. Twenty-two thousand men under the age of twenty-one had been placed on Western farms, and 60 per cent of them had remained there in spite of the fact that aid had now ceased. "Thus we have domiciled two-thirds of the young men we have put on these farms," he remarked.

"Cold coffee is a remedy for hay-fever." And for coming down late for breakfast?

## PLANE CRASH VICTIM DIES

Young Calgary Pilot C. W. Locke Passed Away in Hospital Yesterday

CALGARY, June 8.—An investigation was opened today into the airplane crash near the Calgary Municipal Airport last night which took the lives of Clifford W. Locke, twenty-six, pilot, and his passenger, Mrs. Edith Webster, forty-six.

The investigation was being conducted by T. G. Stevens, of Edmonton, district inspector of the Civil Aviation Branch of the Federal Department of Transport, and J. Currie, also of Edmonton, technical adviser.

A coroner's inquest jury was also

sworn in during the afternoon and after viewing the body adjourned until Thursday. One of its members was Fred McCall, famous war-time aviator.

Mrs. Webster died about twenty minutes after the plane in which she was making her first flight crashed. Locke, who received his private pilot's licence only a month ago and who had intended to leave for England today to join the Royal Air Force, died this morning from head injuries suffered in the crash.

Mrs. Webster's two children, William, twenty-four, and Jean, twenty, saw the plane fall. William had intended to go to England with Locke.

"I see we are honored this morning with the presence of a minister of religion. Surely the reverend gentleman should have been ministering to his flock instead of wasting his time here!" Such was the comment of a liquor-trade lawyer when the late Rev. Samuel Chadwick appeared in a court to oppose a new drink licence. "Oh, the law is all right," Mr. Chadwick replied. "I am after the wolf!"

## LONGER PLAYS FOR FESTIVAL

Three-Act Offerings Will Feature Dominion Drama Fete Next Year

The 1938 Dominion Drama Festival will hold its final session in Winnipeg, and will consist of three three-act plays to be presented on the first three nights of the festival, the last three nights being given over to the presentation of one-act plays.

This announcement was made by Judge C. J. Lennox, Vancouver, chairman of the B.C. Regionals Festival of the Dominion Drama Festival, at the final meeting of competing teams and others connected with the 1937 eliminations committee, held at the home of

Captain T. I. Thorpe-Douglas, Montclair Street, on Sunday afternoon.

Judge Lennox, who attended the annual meeting of the governors of the Dominion Drama Festival Association, held in Ottawa recently, said that the matter had been thoroughly discussed, and the feeling was that after five years of one-act plays exclusively, it would be a progressive step to advance to the full-length play.

### CONTINUITY OF POLICY

Captain Thorpe-Douglas expressed the opinion that limiting the festival to three-act plays would have the effect of keeping out many entrants, if only on the grounds of increased costs of production. He was strongly in favor of broadening the base of the festival, rather than sharpening the apex, in which opinion Judge Lennox agreed. He stressed the importance and great need for civic authorities to take some active part in the Drama Festival movement to insure continuity of policy. The plan sug-

gested by the speaker was for the City Council to appoint a representative to the managing committee, on the same basis as is done with such groups as the Musical Festival. He felt that while there was splendid co-operation among the competing teams and the executive committee, a greater active interest could be taken in the movement by the citizens as a whole, and that the first step in this direction might well be for the City Council to be formally allied with it.

### VERY MUCH INTERESTED

Ald. Dr. J. D. Hunter spoke briefly, stating that the council was very much interested in the movement and would be loath to see anything interfere with its increased development as a major fact in the cultural life of the city.

Following the meeting, tea was served in the garden; the guests thus having an opportunity to learn at first hand from Judge Lennox of the final sessions of the 1937 Dominion Drama Festival recently completed in Ottawa.

**Trying to Lessen Motor Accidents**

WINNIPEG, June 8.—A cruiser car that may be converted into an ambulance has been purchased by Winnipeg police and the traffic squad has been doubled in an attempt to curtail the number of motor accidents that have taken place in the city during the past few summers.

## GLEEMEN SING THEIR THANKS

Oregon Male Voice Choir Give Informal Concert at Kiwanis Luncheon

As a gesture of good will to close their two-day visit to Victoria and to give them an opportunity of expressing their appreciation of the hospitality of the people of the Capital City, Eugene Gleeman, male choral singers, went to the luncheon of the Kiwanis Club yesterday at noon and gave an informal concert.

Thanks of the choir were given by John Stark Evans, conductor, and replied to by Rev. E. F. Church, a member of Kiwanis, and Walter M. Walker, president of the club. Frank Smith, who looked after arrangements of the visitors in Victoria, introduced individual members of the organization.

Following the introduction, the choir gave a half-hour recital, opening with "Pledge to Oregon." Other numbers included the popular "Hospiro Pomilui," from Russian Liturgy (Rimsky-Korsakov), which was given such an ovation when the choir sang at the Armories on Monday night; "Lift Thine Eyes" and "Lone Prairie," a cowboy song. Hal Young, who was introduced as the "original Student Prince," as having appeared as tenor soloist with the original "Student Prince Company," sang "Serenade," from the "Student Prince," and an encore, "Ah, Sweet Mystery of Life."

Delbert Moore, violinist and second tenor with the choir, played the obbligato to the choir's number, "My Heart Is a Silent Violin" (Fox). Cora Moore Frey was the accompanist.

Students from the Oak Bay High School attended the concert.

## FIND DEATH DUE TO AN ACCIDENT

Members of Coroner's Jury Hear Evidence Concerning Fatal Injury to Aged Woman

Death by accident was the verdict of a coroner's jury which yesterday heard evidence concerning fatal injury to Mrs. Olga Stavrakov in a traffic accident on Glenford Avenue last Saturday afternoon.

Her grandson, O. Stavrakov, testified his grandmother was eighty years old and had been an ardent cyclist and in her younger days had toured parts of Europe on a bicycle. Because of her age, he said, efforts had been made by relatives to persuade her to give up cycling, but she had refused.

James Gardiner, driver of the automobile with which Mrs. Stavrakov's bicycle collided, said he was proceeding slowly in the vicinity of Saanich Health Centre and saw a bicycle coming towards him. It appeared to be out of control, he said, and although he tried to prevent a collision, the cyclist ran into the rear part of his car. The aged woman suffered injuries from which she died shortly after the accident.

### BURIED AT CHEMAINUS

Funeral rites for Arthur W. Proteau were conducted on Monday morning from the Catholic Church, Chemainus, to the Chemainus Cemetery, Rev. Father LeClair, Duncan, officiating. Pall bearers were Mr. Maxwell, J. Nelson, C. Katz, G. Ridgeway, W. Jenkins and C. Baker. Mr. Proteau was born in Kamloops thirty-seven years ago and had resided in Chemainus for the past eleven years, being in the employ of the Victoria Lumber & Manufacturing Co. ### Will Broadcast Tonight From Showrooms

Introducing the new showrooms for Singer cars, on the corner of Quadra and Johnson Streets, together with the new models of this popular British car, a spectacular musical programme has been arranged to take place tonight. This will be held on the floor of the showrooms, which will be open to the public and, in addition, the programme will be broadcast. An invitation to the public is issued by W. Greenhalgh, local Singer dealer, who will act as host to the visitors, while Duke McLeod will be master of ceremonies. A programme of one hour's varied entertainment has been arranged.

### COOPER LEADING MONEY WINNERS

**BIRMINGHAM, Mich., June 8 (P).**—Harry Cooper, of Chicago, leads all pro money winners with total winnings of \$7,992 so far this year, the Professional Golfers' Association tournament bureau said tonight.

With seven months yet to go, Cooper's winnings already exceed the full 1936 totals of \$7,000 that gave Horton Smith top position. Other big money winners for the current year are: Henry Picard, \$6,383; Sam Snead, \$5,215; Horton Smith, \$4,900; Ralph Guldahl, \$4,105; Bryon Nelson, \$3,512; John Revolta, \$3,470; Ed Dudley, \$3,172; Jimmy Hines, \$2,984; and Paul Runyan, \$2,798.

### SINKS TEE SHOT

**MEDICINE HAT, Alta., June 8 (P).**—Thirteen years ago, J. A. Bell joined the select few at the Medicine Hat Golf Club with a hole-in-one. He repeated the performance Monday, making a 204-yard hole-in-one to his match in the city championship.

### THREE BATTERS WELL BUNCHED

Greenberg, Bell and Gehrig In Close Battle for League Leadership

(By the Associated Press)  
 His home run, double and single that led the Detroit Tiger attack against the A's yesterday also boosted Hank Greenberg up to the top of the American League batting parade.

Standing of the leaders (top three in each league):

G. A. B. R. H. P.			
Medwick, Cardinals	41	151	37
Greenberg, Tigers	40	172	48
Bell, Browns	41	172	48
Gehrig, Yankees	42	158	28
Vaughan, Pirates	42	165	27
Hasek, Dodgers	34	137	30

### HOME RUN STANDING

Yesterday's homers—Greenberg, Tigers; DiMaggio, Gehrig, Yankees; Fox, Tigers; Averill, Indians; Jensen, Brubaker, Todd, Pirates, one each.

The Leaders—Greenberg, Tigers, 15; Bartell, Giants, 11; Selkirk, Yankees, 10; DiMaggio, Yankees, 9; Fox, Red Sox, 9; Medwick, Cardinals, 9; Kamouris, Reds, 9; Johnson, Athletics, 9.

### U.S. OPEN TO GET STARTED

Classy Field of Professionals To Tee Off in Michigan Tomorrow

**BIRMINGHAM, Mich., June 8 (P).**—The advance guard of golf's title-seeking clans, warming up for the forty-first United States Open championship, found the storm signals flying and a wind-swept sample of what to expect when the main firing begins Thursday in the battle of Oakland Hills.

Only a handful of the shot-making brigade managed to give Old Man Par a practice tussle over this rolling, rugged layout, scene of the tournament after a lapse of thirteen years, and just as tough as it was when Cyril Walker, with

297, beat Bob Jones for the Open crown in 1924.  
 Not a bunker or a green has been changed and only four tees have been shifted, to add a bit more length to the par-seventy-two course which now measures 7,037 yards.  
 Despite the high-powered caliber of the field, it is the consensus of the regulation seventy-two holes of play, consisting of single rounds Thursday and Friday, with a double-header Saturday.

### MISS IRIS JARVIS WINS GOLF HONORS

Reversing the decision of a year ago, Miss Iris Jarvis defeated Mrs. C. S. Brown in the scheduled eighteen-hole final, 5, to take possession of the women's championship of the Macaulay Point Golf Club. The newly crowned champion played smart golf over the first nine, shooting a neat 41, to hold a comfortable lead. Mrs. Brown's short game was weak at times and it was indirectly responsible for her parting with the title.

### APPOINTMENT PLEASES JAPANESE FINANCERS

**TOKIO, June 8 (CP-Havas).**—Financial circles today hailed the appointment of Koki Hirota, Foreign Minister under Prince Konoye, to the concurrent post of chairman of the National Planning Board. Their pressure had averted the appointment of Eichi Baba, Home Minister, whose unorthodox financial policies were feared.

### APPOINTED TO B.C.

**LONDON, June 8 (P).**—Capt. C. H. G. Mills has been appointed vice-chairman and a governor of the British Broadcasting Company, it was announced today. His appointment was in succession to Harold Brown, who retired at the end of 1936.

Captain Mills is managing director of Baring Brothers Bank. He served throughout the Great War in the Sherwood Foresters.

## City and District

**Waterworks Shares**—An offer of Burns & Wainwright, Ltd., to sell the city eight shares of Esquimalt Waterworks Company at \$105 per share has been accepted.

**Call for Tenders**—The city is calling for tenders to supply 1,000 7.5 ampere series lamps, 900 sockets and receptacles with cut-outs, two trucks and one automobile.

**Public Holiday**—Observing today as the King's birthday anniversary, the Legislative Buildings, all provincial offices, banks and public schools will remain closed all day.

**Ask Office to Close**—The Real Estate Board of Victoria requests that members close their premises all day today in honor of the birthday of His Majesty King George VI.

**Direction Signs**—Signs marked "To City Centre" are to be placed at the intersection of Shelbourne Street and Hillside Avenue and at Shelbourne Street and Haultain Street.

**Must Serve Time**—In the city police court yesterday, Leonard Arndell and Steve Gale, who had confessed to the theft of lead piping from a dwelling, were each sentenced to thirty days in jail with hard labor.

**Light Committee**—Tenders for lamps and cut-outs totalling \$3,514 were accepted by the City Council street lighting committee yesterday afternoon and will be presented to the council for approval. Equipment is needed to replace are lights.

**To Visit Victoria**—The Young Men's Institute, of San Francisco, who are planning a visit to Alaska this year, have specified Victoria as one of the points they will visit. The organization has asked for pictures of the city for insertion in San Francisco newspapers.

**Stores Open**—Stores will be open today until 1 o'clock as usual. Although schools, banks, the City Hall and Legislative Buildings will be closed, the Provincial Museum will be open from 9 o'clock until 5 o'clock. The public market will be open.

**Seek Amendment**—A request of the Community Grocers' Association for an amendment to Shops Closing By-Law to govern the hours during which peddlers and hawkers may do business in the city is being dealt with by the City Council legislative committee.

**Claim Denied**—A claim of L. Newbigging for damages arising out of injuries received when his motorcycle struck a manhole cover has been denied by the city. Mayor McGavin and the city solicitor have been authorized to make a compassionate allowance.

**Man Knocked Down**—While crossing Fernwood Road at Gladstone Avenue he was knocked down by a fawn-colored automobile, Ernest Moiry, 1422 Vining Street, reported to police yesterday. He was treated by Dr. O. C. Lucas for a fractured rib.

**To Visit Lake**—Members of the City Council plan to visit Jack Lake within a week's time. Through Mayor McGavin, the city secured a payment of \$7,000 cash and \$6,000 in work for damage to timber around the lake by the Kapoor Lumber Company.

**Plan Being Studied**—A plan of the City Council to fill in the swamp bounded by Johnson Street and Tye Road is being studied by the Canadian National Railways right-of-way department, according to a letter received at the City Hall from R. R. Nichol, assistant railway tax commissioner, Winnipeg.

**Pentecostal Assembly**—Revs. H. H. Ness and R. S. ## Women's Canadian Club Reviews Its Past Year's Work

Officers Elected and Reports Read—Many Bursaries Given—Mrs. Nellie McClung Gives Address—Tells of Functions of Radio

THE officers chosen to guide the affairs of the Women's Canadian Club for the next term were announced at the annual meeting held yesterday afternoon at the Empress Hotel, a huge crowd of members filling the ballroom. The officers are as follows:

President, Mrs. Harold Campbell; first vice-president, Mrs. James Adam; second vice-president, Mrs. R. W. Mayhew; literary secretary, Mrs. T. H. Johns; corresponding secretary, Mrs. T. A. Johnston; treasurer, Mrs. Charles Conyers. The executive includes Mrs. F. G. Aldous, Mrs. W. C. Pyle, Mrs. H. Lasenby, Mrs. Donald McAdie, Mrs. J. B. Munro, Mrs. P. E. Taylor and Mrs. Archie Willis.

It was with great interest that the members listened to the summary of the year's activities read by the secretary, Mrs. T. A. Johnston. The year had been a particularly satisfactory one and among the outstanding social events had been the reception for Her Excellency Lady Tweeddale, who gave an address; a tea given for the honorary president, Mrs. E. W. Hamber, wife of the Lieutenant-Governor; a bridge and mah jong party at the Empress Hotel and assistance at the Y.M.C.A. annual tea. Many interesting addresses had been given. Flowers and gifts had been taken to the club's ward in the Jubilee Hospital.

**FINANCIAL STATEMENT**  
Mrs. Charles Conyers, treasurer, reported that the year's total receipts had amounted to \$2,589.42 and the disbursements \$2,620.49. The balance in the bank at the close of the year resulting from the previous year's balance, amounted to \$433.06. Subscriptions, donations and bursaries had been given by the club, the sum of \$200 being given in school bursaries; \$77.25 in school prizes; \$50 as a donation to the Women's Workmen's Club; \$25 to the Travelers' Aid; \$25 to the Children's Aid Society; donations to school representatives to the Coronation and donations to the

## "Snapped" in Hotel Garden

MAJOR AND MRS. A. R. NYE

Who have been staying at the Empress Hotel, have left on their way to Quebec, to sail on July 2 aboard the S.S. Empress of Australia, for England. Major Nye, M.C., of the Fourth Gurkha Rifles, India, and his wife, are considering the possibility of returning to make their home in Victoria, when Major Nye leaves the service. Before sailing from Canada, they will visit Mrs. Nye's cousin, Rev. P. W. Downer, of Emmanuel College, Saskatoon, and will also spend a short time in Eastern Canada.

claim. She urged the audience to show tolerance in their criticism of programmes, for "though you and I do not derive much joy from amorous, glamorous love songs, somebody enjoys them, and even crooners give pleasure to someone."

### SPONSORED PROGRAMMES

There was a tendency in some homes to let the radio run all day with the result that "we become not radio-minded but radio-ridden." Mrs. McClung said, music, she continued, should never be allowed to become a nuisance. Speaking of the cost of maintaining the Canadian Broadcasting Corporation, Mrs. McClung said that finances in Canada were limited and that the money spent on the Ford-Symphony Hour equalled the total amount available for the C.B.C. in Canada. The British Broadcasting Corporation spent \$20,000,000 a year on programmes.

It was the hope of the C.B.C. that in the future there would be more sponsored programmes, and care would be taken lest the commercial aspect become uppermost. "The message of radio is too important to be left to the caprices of commerce," was the opinion of the speaker.

### SOMETHING TO OFFER

Mrs. McClung urged her listeners to become articulate regarding the kind of programmes they wanted. Canada "had something distinctive to offer, she believed, 'something more than cooking recipes.' There should be programmes with an upward turn, for the better they were the more they would be appreciated.

Plans were being made for radio dramatization of Canadian books, in an effort to stimulate Canadian reading. The radio could do much towards the building up of home life and it behooved women to "help us to keep the blue aisles of the air unpolluted."

### NORTHERN MESSAGES

Mrs. McClung referred to the Coronation and of the part played by radio in bringing the world closer together. With regard to the "Northern Messenger" broadcast, it was interesting to note, Mrs. McClung said, that this year the Hudson's Bay Co. ship traveling northward was to be equipped with a short-wave set which would enable Northerners to send messages to those in the South.

There was a special need for more humor in radio programmes. "We must teach our children to laugh," said the speaker, and suggested that such a group as the Women's Canadian Club might sponsor a humor contest for the radio.

At the conclusion of her address,

## Bazaar Nets Sum of \$161

Pupils of St. Christopher's School, Oak Bay, held their annual garden party yesterday afternoon at the home of Mrs. P. P. Curtis, Prospect Place, Oak Bay, kindly loaned for the occasion. As result of the affair, the sum of \$161 was realized. In accordance with an old custom, the sum of \$5 of the total will be sent to an orphanage in England, which the school helps support, and \$156 has been forwarded to the Queen Alexandra Solarium for the upkeep of the St. Christopher's cot.

Much of the success of the affair is due Mrs. Curtis for lending her beautiful garden and to the mothers of the pupils of the third and fourth forms who gave invaluable assistance. Tea was served in the house and on the veranda, the stalls being arranged under the trees on the lawn. The stall-holders were Catherine Angus, "Peter" Williams, Sage Ley, Suzanne Baker, Ursula Mackenzie, Mary Robertson, Jean Mackenzie, Grieve, Sylvia Humble, Rosemary Bridgman, Ruth Kermode, Margaret Scott, Marguerite Weir, Elizabeth Holmes, Anne Snape, Joyce Clearhouse, Phyllis Goodrich and Winona Worsley.

### Shower for Bride-to-Be

Mrs. Hugh Watkins and Miss Alleen Baird entertained on Monday evening at the home of Mrs. C. R. Pawcett, Transit Road, at a surprise miscellaneous shower given in honor of Miss Audrey Baird, whose marriage to Mr. Vincent Cave will take place this week. An old-fashioned lady, costumed in pink, peach and rose, stood on a desk in front of the fireplace. Her ample skirts concealed some of the many gifts, others were placed around her and were partly hidden by many streamers carried from the desk lights to the desk. Little Joan Watkins, dressed in a pale green frock, presented Miss Baird with a lovely corsage of pink carnations upon her arrival. The supper table was daintily arranged in a color scheme of pink and mauve and white. Upon a lace cloth was a centerpiece of carnations and nepeta in a two-tier effect of cut glass bowls which was surrounded by the gossamer folds of a wedding veil. The four corners of the veil were drawn towards the table corner and held in place by small silver vases of roses. The guests were Mrs. C. N. Baird, Mrs. E. Cave, Mrs. C. R. Pawcett, Mrs. E. Holt, Mrs. E. Cain, Mrs. M. Pullen, Mrs. G. Baird, Mrs. L. Ball and Misses N. Browning, V. Perry, L. Primrose, B. Crowder, E. MacKenzie, V. Edwards and I. MacKenzie.

### Ten at Empress Hotel

Ten was served in the lounge of the Empress Hotel yesterday afternoon following the annual meeting of the Women's Canadian Club. Miss Kathleen Agnew and Mrs. P. B. Scurrell presiding at the prettily arranged tables. A large number of members of the executive, the guest speaker and other club members remained for tea, the group including Mrs. S. J. Willis, Mrs. H. L. Campbell, Mrs. James Adam, Mrs. C. Conyers, Mrs. T. A. Johnston, Mrs. R. W. Mayhew, Mrs. D. M. Duncan, Mrs. E. MacKenzie, Mrs. J. R. Nicolson, Mrs. T. H. Johns, Mrs. P. E. Taylor, Miss Hosi, Mrs. J. S. Plaskett, Mrs. George Smith (Winnipeg), Mrs. Cummins, Mrs. A. B. Williams, Mrs. Jenns, Mrs. F. C. Pollard (Shanghai), Mrs. Raymond Kershaw, Mrs. Joyce, Mrs. Hilop, Miss Stuart, Mrs. E. H. Harper, Mrs. J. Gibson, Mrs. Tremblay, Mrs. W. A. Thorne, Mrs. D. Ellis (Ottawa), Mrs. O. H. Thorne, Mrs. Richards, Mrs. R. W. Perry, Mrs. P. McNaughton, Mrs. Mitchell, Mrs. H. Lasenby and Mrs. D. McCaw.

### Hostesses at Shower

Mrs. J. W. Holyoak and Miss Iris Holyoak were hostesses last evening at a sit-down shower for three weeks last month.

### A sit-down strike for three weeks

"A sit-down strike for three weeks? Goodness, why didn't you settle it sooner?"

"Because it was that long before we realized they were striking."

### this week. The many gifts were

presented in a novel manner, the bride-to-be standing under an arc of pastel-colored crepe paper, which was suspended in one corner of the living-room, and finding the treasure in the "pot of gold" hidden at the end of the "rainbow." The reception rooms were lovely with masses of love in a mist and rosebuds. "Cootie" was played and later in the evening supper was served from a table having an attractive centerpiece consisting of a tiny bride and groom standing on a mirror and surrounded by billowy pale pink tulle. A small silver basket, placed near the miniature couple and containing real orange blossoms, completed this bridal setting. Those present were Mrs. James Smith, Mrs. J. Newman, Mrs. H. Bates, Mrs. Bell, Mrs. W. Graves and Misses Enid Bates, Rita McKay, Edna Robinson, Margaret Scott, Dorothy Allison, May and Sybil Holyoak.

### Luncheon at Colwood

Mrs. B. C. Richards and Mrs. J. Gorman were hostesses at a luncheon party yesterday at the Colwood Golf and Country Club in honor of Miss Elma Michaelis, a much-feted bride-to-be. Covers were laid for thirty guests at a table attractively centred with a crystal bowl of pink larkspur, white iris and maidenhair fern, and illuminated by pale pink candles in silver candelabra. The guest of honor was presented with a corsage bouquet and a little gift from the two hostesses. Bridge and mah jong were played after luncheon.

### Leaving for Ottawa

Dr. Hermann Robertson, president of the Canadian Medical Association, will leave next Sunday for Ottawa to attend the annual meeting of the association, which will be held from June 21 to 25. Dr. Robertson will hand over his office to Dr. L. H. Leggett, Ottawa, at the big ceremonial on June 23, when the Governor-General will be present. Mrs. Robertson will accompany her husband, and they expect to be absent for nearly a month.

### Christening Ceremony

The baby daughter of Commander H. E. Reid, R.N., and Mrs. Reid was christened recently at Christ Church Cathedral by Very Rev. C. S. Quainton, and received the names Susan Gillian. Her godparents are Mrs. Malcolm Gladstone, London, England; Mrs. Marcus Mackenzie, of the Sudan, and Mr. A. G. Price, Ottawa. After the ceremony, Commander and Mrs. Reid entertained a few friends at tea at their home on Transit Road.

### Birthday Party

A birthday party was held at the home of Mr. and Mrs. H. Shalldon, 570 David Street, in honor of their twin sons, Billie and Horace. The table was decorated with pink and roses and centred with a birthday cake. The guests were Dorman Bishop, Claude Bishop, Jeanie Bishop, Pete Holden and Les Holden. Refreshments were served, and the afternoon was brought to a close with singing.

### Leave on Trip

Rev. J. Richmond Craig, Moss Street, and his daughter, Miss Margaret Craig, left yesterday for Vancouver, en route to Montreal, from which port they will sail by the Duchess of Athol for the Old Country. Mrs. Craig is remaining in Victoria until the middle of July, when she will leave for Ottawa.

### Golf Club Party

Plans are being made by the members of the Victoria Golf Club for a bridge party in the clubhouse, Oak Bay, on Friday, June 25. Res-

ervations may be made with Captain Pearkes, Mrs. C. W. Pangman or Mrs. R. J. Tyhurst. Supper will be served and prizes given.

### Returns Home

Mr. and Mrs. Joshua Smith have returned to their home on Arm Street after spending several weeks in Southern California visiting their son and daughter-in-law and attending the Golden Gate festivities.

### From Nova Scotia

Mr. and Mrs. O. H. Cogswell, 1813 Chestnut Avenue, have as their guests Mrs. Cogswell's brother-in-law and sister, Mr. R. S. Kinsman, Kingsport, Nova Scotia.

### Return from Honolulu

Mrs. S. P. Birley and her two children, Pamela and David, have returned to their home on Transit Road, Oak Bay, after spending the past two months in Honolulu.

### Leaving for Trip

Capt. and Mrs. William Ellis, Beach Drive, are leaving today for a motor trip to Yellowstone Park. They expect to be away for three weeks.

### From Vancouver

Mrs. F. Chisholm arrived yesterday from the Mainland and is staying with her son-in-law and daughter, Mr. and Mrs. H. Roy Dagg, Forester Street.

### Coffee Party

Mrs. H. C. Greer entertained a few friends at a delightfully arranged coffee party yesterday morning at her home on Esquimalt Road.

### Here from Winnipeg

Major John Hay, D.C.M., R.W.R. is here from Winnipeg, spending a few days with Mr. and Mrs. A. E. Sartin, 2093 Crescent Road.

### To Make New Home

Mr. and Mrs. J. H. Butler, Bushby Street, will leave about the middle of this month for Shawinigan Lake, where they will make their home.

### Entertains at Tea

Mrs. C. J. Prior was hostess at a delightful little tea party yesterday afternoon at her home on St. Patrick Street.

## Local Activities

### Resolution Chapter

Mrs. C. H. O'Halloran, the regent, was in the chair at the meeting of H.M.S. Resolution Chapter held last evening at the home of Mrs. J. S. Oliphant, Uplands. Plans for the knit-craft tea in September were discussed. The chapter arranged to have charge of the Owl Drug Store corner on Alexandra Road Day. Miss Dorothy Oughton invited the Third Victoria Boy Scouts to a beach party at her home on King George Terrace on June 19. The sum of \$20 was voted for secondary education.

### Dr. O. M. Jones Chapter

The Dr. O. M. Jones Chapter held its last meeting for the season at headquarters last night, with Mrs. J. W. Hudson, regent, presiding. Letters from the Provincial organizing secretary, Provincial president and Provincial secretary were read. Members were asked to assist with tagging on Alexandra Road Day. The chapter is in charge of The Times corner this year. Mrs. Harry Price was proposed and accepted as a new member. Mrs. Davies, former regent of Messines Chapter, Revelstoke, was proposed for membership and accepted. The meeting then adjourned until next September, when plans will be made for a tag day.

## Presentation By Lady Lake Made at Fete

A garden fete and silver tea held on Saturday afternoon at "Rhylsands," Crofton, the home of Mrs. J. B. Bailey, was exceptionally well patronized, and a substantial sum added to the funds of the Westholme Branch of the W.A. to the M.S.C.C. Ladder golf, pine log competition, fishing and bean bag contests were held on the grounds, tea being served on the veranda, under the convenship of Mrs. Dee.

A presentation to Miss B. P. Foster of a life membership in the W.M.S. to the M.S.C.C. was made by Lady (Richard) Lake, Victoria, and honorary member of the Victoria executive, who kindly motored from Victoria for the occasion, which took the form of a short service first, after which Lady Lake made the presentation, sailing on Mrs. J. B. Bailey to pin on the gold badge, and Mrs. D. Groves to present the certificate. Little Patty Lloyd, of the junior branch, presented Miss Foster with a beautiful bouquet of flowers.

Miss Foster, taken by surprise, thanked the many kind friends who had made this presentation possible, and expressed her deep appreciation of their gift.

Included in the party, who motored up with Lady Lake, were Mrs. Schofield and her two grandchildren and Mrs. Llewellyn.

## V.O.N. REPORT

According to the report for May, read at the meeting of the Victorian Order of Nurses yesterday morning, 188 new patients were admitted; 928 visits made, consisting of: Fifty-six to prenatals, 110 to obstetrics and infants, 174 to post-natals and infants, 124 to communicables, 13 to cancer, 80 to chronic cases, 275 to others, 191 instructive, 586 were free visits, eight-teen night calls were answered.

Four well-baby clinics were held, with an attendance of forty-five babies; four prenatal sewing classes and three home-nursing classes were conducted. Donations were gratefully received from interested friends.

## SALTSPRING ISLAND, June 8

Deaconess Robinson, Victoria, who is paying her annual visits to parishes of the diocese, and is at present spending a few days on Salt Spring Island, as the guest of Rev. C. H. and Mrs. Popham at the Vicarage, gave an interesting address recently in the Central Settlement Hall. She spoke of her mission work at various places on Vancouver Island, and illustrated her address with lantern slides. She also spoke on the cathedrals of England. On Sunday morning, there was a rally of Sunday School children of St. Mark's and St. Paul's Churches, who met at St. Paul's and heard an address by Deaconess Robinson.

The two young ladies were watching the football match. "Who is the man running about blowing the whistle?" asked one. "Hush," replied the other, "he's the gamekeeper."

## BRITAIN TO STAND BY MONETARY POLICY

### Continued from Page 1

Recent activity on the London bullion market led to a "gold scare," with rumors circulating new monetary developments were afoot. Yesterday London bullion brokers raised the price of bar gold in an attempt to halt the flow of the yellow metal to the United States by lessening the differential between the London price and the fixed \$35 an ounce paid by the Treasury in Washington.

Sir John's statement in Parliament today definitely put an end to rumors of impending changes.

### FUND WAS USED

Confirming reports that the exchange equalization fund had been active in an effort to steady the market, Sir John said British monetary policy, as defined in the tripartite declarations, "does not involve obligation upon us to buy at a fixed price, but it does involve the purchase or sale of gold for the purpose of checking undue fluctuations in exchange rates."

## STUDY ECLIPSE IN PERFECT CONDITIONS

### Continued from Page 1

reached a height of 25,000 feet, kept his plane in path of totality about three and one-half minutes, and had achieved splendid results in wonderful visibility.

He was then still in his airplane, Santa Silvia, flying back to Lima. Major Stevens said his four cameras functioned well, and recorded both motion and still pictures of the sun's corona and of the approaching and departing shadow. During totality he was flying above the Pacific Ocean between Trujillo and Chimbote.

### INDIANS FRIGHTENED

Reports from mountain stations said, as soon as the sun emerged from the moon's shadow, Indians, frightened as the darkness grew, rang church bells and piped on their primitive flutes tunes that had come down from the times of the Incas.

Members of the American Museum expedition, which set up its instruments in the courtyard of an ancient adobe church at Llanca, reported mountain Indians flocking there in increasing numbers as time for the eclipse approached. Many were obviously afraid the sun would go out for ever.

### UNUSUAL OPPORTUNITY

Major Stevens' greatest hope was that he would be able to capture in motion pictures the swift passage of the moon's shadow, 153 miles wide, rolling in from the Pacific Ocean. The opportunity was unusual, and Major Stevens reported he obtained good pictures of this phase of the eclipse, which he described as "rainbow colors blending into blue and black."

At totality, temperature at his 25,000-foot height was 4 degrees below zero Fahrenheit.

WASHINGTON, June 8 (AP)—United States scientists, encamped

in the mid-Pacific on a blistering desert isle of coral and sand, possessed tonight a rare photographic record of today's total eclipse of the sun.

Following the activity on Canton Island through broadcasts from the joint United States Navy-National Geographic Society expedition, colleagues in Washington expressed elation that their brothers had preserved for science's pages a significant record of the longest total eclipse in 1,200 years.

### CIRCLE OF SCIENTISTS

After the 3-minute and 33-second period of totality ended at Canton Island at approximately 2:10 p.m. (C.D.T.), Dr. John Oliver La Gorce, vice-president of the Geographic Society, arose from a circle of scientists huddled in headquarters here, to announce: "Astronomers throughout the world will await the results of this record with the greatest interest."

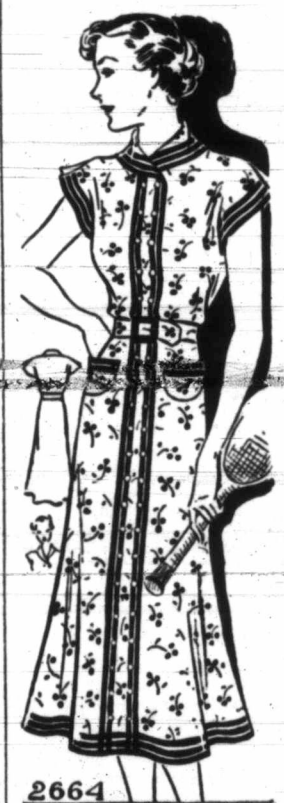

From the little equatorial island, 5,000 miles off the North American mainland, came this word from the expedition: "We are happy as clams."

### UNEXCELLED WEATHER

What made them happy, they radioed, was unexcelled weather which permitted them to photo-

## Peerless Fashion Patterns

Edited by LAURA I. BALDY, A.M.  
(For many years Assistant Professor of Household Arts, Teachers' College, Columbia University, New York, N.Y.)

2664

You'll be charmed with this youthful hyacinth blue cotton warm weather dress with cunning rolled skirt collar and abbreviated pleated sleeves.

It's so versatile and wearable—smart for spectator sports as well as for tennis, golf and other sports activities. The very fitted and narrow waistline accentuates the animated hem of the flared skirt.

When you find that it is just as easy to make as it is to wear, you'll want another in new looking beige coarse open mesh cotton.

A gay peasant cotton print is another delightful suggestion. You'll cut it out and sew it so quickly with the aid of the Illustrated Sewing Chart included, you'll be simply amazed.

Style No. 2664 is designed for sizes 14, 16, 18, 20 years, 32, 34, 36, 38, 40 and 42-inches bust. Size 36 requires 3 1/2 yards of 39-inch material with 18 1/2 yards of binding.

The Spring and Summer Fashion Book is filled with lovely designs for everyday wear, which are easy and inexpensive to make.

## IGNORED REPORTS WORK UNJUSTIFIED

### Continued from Page 1

mining company's affairs, both at the mine and on the Vancouver Stock Exchange.

The investigation was preceded by a sudden drop of the company's stock on the Vancouver Stock Exchange. It was suspended from trading last February 23, after dropping from a peak of \$1.03 per share to 32 cents.

### PROTESTED STATEMENT

Dr. Dolmage said he left the company's employ in February, 1935, and identified a letter which he had written directors at the time protesting a statement contained in a progress sheet. The statement indicated a shaft off the "red tunnel" was "all in ore." The letter also protested use of his name on the progress sheets.

When Dr. Dolmage's testimony was concluded, the case was adjourned to June 16. Earlier in the day Frank Parsons, former Hedley secretary-treasurer, testified he had sold 5,000 shares of his stock in the company between February 15 and February 23. He said he still had shares which he could have sold at the time.

### HAD NO SUSPICION

Parsons could not say if other directors of the company disposed of their holdings then. He told the court he had no suspicion the mine was salted until summoned to the office of J. R. Williams, assayers, on February 17. At that time Williams was suspicious of the assays, but did not make a statement until a directors' meeting on February 22. In April, 1936, Hon. G. S. Pearson, Provincial Minister of Mines, wrote to the company quoting excerpts from the Richmond report, and intimating progress reports from the mine were "exaggerated." The letter was given to Barker, who replied, saying he was assembling data and would write later.

Parsons said he thought Mr. Pearson was misinformed, as both he and Barker believed Cox, in charge of the mine, to be capable, and his reports authoritative.

When Dr. Victor Dolmage, geologist, wrote asking to have his name removed from progress reports of the mine, Parsons was "not impressed," he said.

In addition to the shares allotted him as a director of the company, Parsons said he bought 40,000 shares from Barker at 20 cents a share when the stock was selling at 40 cents a share on the open market.

YANKEE WINS  
YACHT EVENTBritish Yachtsman Plans  
Series of Scientific Trials  
For Two Endeavours

ABOARD COAST GUARD CUTTER ARGO, OFF NEWPORT, R.I., June 8 (P).—Gerard Lambert's Yankee today demonstrated its superiority over Chandler-Hovey's Rainbow, defeating the successful 1934 cup defender by two minutes over a twenty-four-mile triangular course.

NEWPORT, R.I., June 8 (P).—T. O. M. Sopwith planned a series of scientific trials today to select his challenger for the America's Cup yacht races on July 31 as he sailed towards Newport aboard the motor yacht Viva.

## ACTS AS FLAGSHIP

His two yachts, Endeavour I and Endeavour II awaited him here. The Viva will act as Sopwith's flagship until his motor yacht, Philante, arrives from England with a steel spar to replace one which buckled in a recent spin on Endeavour II.

Sopwith reached New York yesterday on the Queen Mary, accompanied by Mrs. Sopwith and several members of his afterguard. The latter, he said, would include Sir Ralph Gore, British observer aboard the United States defender, Rainbow, in the 1934 series; Frank Murdoch, Sopwith's representative in charge of the yachts here, and Flight Lieutenant Scarlett, of the Royal Air Force, who will act as navigator.

## TIMEKEEPER AGAIN

His wife, Sopwith added, would again act as timekeeper, thus "defying the best United States yachting traditions."

The yachtsman said he planned to give the Endeavours a thorough workout, mixing informal brushes on various points of sailing with formal races.

"We have three weeks to decide which one to pick," he declared, "and another three weeks to get the one right. We shall have ample time."

## VANCOUVER SHIPPING

VANCOUVER, June 8 (P).—The Blue Star Ss. Gothic Star was in port today to American Mail Line, loading lumber for the United Kingdom. She will shift to New Westminster for doors and metal, loading a total British Columbia cargo of 2,000 tons before proceeding south to complete at American ports.

On Vancouver Fish Exchange today the Grassholm sold its halibut trip of 3,000 chicken at 7.3 cents and 4,000 medium at 7.6 cents.

Major J. A. Motherwell, chief of the Dominion Fisheries Department, returned today from an inspection trip on St. Malaspina as far north as Prince Rupert. He said he expected the salmon catch for this season, which will open with seines and net July 1, would be normal.

The Spanish freighter Ss. Arantza-Mendi is due at New Westminster under charter to Anglo-Canadian Shipping Company, Ltd.

Fishery officials on the patrol boat Ss. Givenchy are in the midst of their annual raid of sea lion breeding points at Haycock, Pearl and Virgin Rocks in the Queen Charlotte Sound. Monday the hunters bagged 463 adults and juveniles. The hunt lasts about a month and thousands of sea lions are slain.

ISLAND NOW  
AT ITS BEST

Week-End Outings at Bargain Fares Offered by E. &amp; N. Railway

Vancouver Island at any time of the year is hard to beat. All its residents will agree to that, no doubt. Some prefer one season to all others, of course; but it is pretty safe to state that the majority of Victorians prefer the Summer time, when the Island should be at its very finest.

Just now the whole of the country is undoubtedly at its greenest and blooming its best, before the sun has had time to dry the foliage and forest fires the opportunity of hiding its vistas in a pall of smoke.

For the Victorian riding northward on the coast, the Island bent on coming south to Victoria, there are many scenic attractions to be seen from the windows of the Esquimalt & Nanaimo train as it goes or comes. There are thrills, too, in the passage of the Malahat and in the skirting of Cameron Lake high up on the mountainside, as well as interesting stops at bustling communities between Victoria and the outer terminals of the road at Port Alberni and Courtenay.

For the benefit of all who would like to take an outing by train to any point on Vancouver Island within reach of the railroad at Esquimalt.

## Helped to Make Ocean-Going History

Probably the strangest craft which ever set out to circumnavigate the globe was the Tilikum, a canoe fashioned from a single cedar log by Cowichan Indians, and built up slightly and decked over by Captain J. C. Voss, one-time resident of Victoria, who was the adventurous navigator who guided her on a world voyage which caused big ship sailors to marvel. For some time the hull has been exhibited under a roof near the Crystal Garden, and needed repairs badly. The Thermopylae Club became interested in the old craft, made an appeal for funds, and while hardly sufficient has been received to do what the club members would like to accomplish, the work of putting her in good repair again has been started. Familiar with canoes, Captain Victor Jacobson, of the Thermopylae Club, is doing the actual work, which he started at the beginning of the week. The picture shows the Tilikum at Oak Bay, just before she sailed on her long trip.

Extremely low travel rates, the Esquimalt & Nanaimo Railway Company is offering its popular week-end bargain fare excursions on Friday and Saturday, with the return limit of tickets next Tuesday.

CATERPILLARS CRAWL  
TO OWN DESTRUCTION

SUDBURY, Ont., June 8 (P).—Thousands of tent caterpillars, apparently "tired of it all" because trees have been stripped by their predecessors, are joining in mass suicide in this district. They are "marching" over the rocks along the shore of the south side of Lake Ramsay, continuing the parade into the water where they are swept away by the waves.

New Canadian Navy Craft Will  
Be Launched Today

OTTAWA, June 8 (P).—A new unit of the Royal Canadian Navy will slide down the ways tomorrow at Meteghan, N.S., when Mrs. Norman Rogers, wife of the acting Minister of National Defence, breaks the traditional bottle of champagne against the bow of H.M.C.S. Venture and initiates the service of this schooner in the naval branch of the Dominion.

The name "Venture" perpetuates the first sailing ship used when the Royal Naval College of Canada was established in 1911.

CRUISES FOR  
VESSELS SETExeter Will Leave Bermuda  
On June 18—York and  
Apollo for Montreal

LONDON, June 8 (P).—Several ships of the navy's America and West Indies station will spend part of the Summer in Canadian waters.

H.M.S. York, the flagship, now at Bermuda, will leave there Thursday and will be at Montreal from June 17 to 28 and at Quebec from June 28 to July 2. H.M.S. Apollo will accompany her. The two warships will then separate for cruises in Newfoundland waters.

H.M.S. Exeter will leave Bermuda, June 18, for Halifax and Esquimalt, B.C. The escort vessels Dundee and Scarborough will be employed principally in Newfoundland waters.

H.M.S. Ajax will leave Bermuda, Friday, for a cruise to Nassau, Barbados, Trinidad and other ports. She will come to Portsmouth for re-commission in August.

CRUISER NAMED  
AFTER BLUECHERGermany Launches Second of Three  
War Vessels With Admiration  
From Vice-Admiral

KIEL, Germany, June 8 (P).—Germany launched the second of three cruisers on her naval building programme today with this admittance from the Baltic naval commander, Vice-Admiral Conrad Albrecht.

"If war should be forced on us, let you be the first in attack!"

The 10,000-ton warship, mounting eight eight-inch guns, was christened Bluecher as she slid down the ways at this naval station. She was named both in honor of the nineteenth century Prussian military hero, General Prince Gerhard Leberecht von Bluecher, and for two warships of the same name. One of these, an armored cruiser, was sunk in wartime.

## FLYER REACHES DAKAR

DAKAR, French Senegal, June 8 (P).—Amelia Earhart flew here today from St. Louis, capital of Senegal, for an eastern takeoff on the next leg of her flight around the world, after flying across the South Atlantic yesterday.

## Dr Chase's Nerve Food

for New Pep and Energy

LONDON, June 8 (P).—Representatives of eleven Governments today signed an agreement for control of the whaling industry in all waters. The agreement, which goes into effect July 1 subject to ratification, provides for a nine-month closed season for whaling from ships attached to floating factories.

Certain species of whales are protected absolutely as are all whale calves and female whales attended by calves.

Whaling at land stations will be subject to six months' closed season, these months being determined by the latitude of the station.

There are five land stations in the Antarctic, two British, two Norwegian and one Argentine.

CREW OF GREEK SHIP  
ON BOARD WESTPHALEN

FERNANDO DE NORONHA, Brazil, June 8 (P).—The crew of the Greek ship Strathatos was transferred safely today to the German plane carrier Westphalen, the catapult ship for the Reich's trans-Atlantic transport planes.

The Maria Stathatos, aflame from stem to stern, arrived off this island near the northeast coast of Brazil late last night.

FELTRE SOLD  
FOR \$55,000Must Be Confirmed—  
Claims Against Ship  
Total \$300,000

PORTLAND, Ore., June 8 (P).—The Italian motorship Feltre, which sank in the Columbia River near Longview, Wash., last February, after a collision with a Luckenbach freighter, was sold at public auction today by United States Marshal J. T. Summerville for \$55,000 to the Pacific American Fisheries.

The bid, one of two submitted, must be confirmed by Federal Court, before which claimants seeking \$300,000 from the vessel's owners had brought actions forcing the sale.

Archie W. Shields, president of Pacific American Fisheries, indicated the vessel, if the sale is confirmed by the court, will be used in the Alaska-Northwest fishing trade, operating out of Portland and Puget Sound.

The Pacific Salvage Company, which patched a 250-foot hole in the Feltre's side, raised her from the river bed and towed her to drydock here, has the largest claim, \$200,000. The Luckenbach Line, with one of whose boats the Feltre collided, has the second largest claim, \$75,000.

At the time of the collision the Feltre was owned by the Libera Line. Her building cost was estimated at \$1,000,000.

SAILING FOR  
SOUTH PORTSLiner Niagara Will Leave  
Victoria This Evening  
For Sydney

Bound for Australia by way of Hawaii, Fiji and New Zealand, the Canadian-Australasian Ss. Niagara, Captain William Martin, commander, will be here for a short time this afternoon. The liner is due alongside of Rithet Piers at 4 p.m. and her scheduled time of sailing for Honolulu, the first port of call, is 5 p.m. The Niagara will take on passengers and mails and load some general cargo on her arrival here from Vancouver.

## DONALDSON VESSEL

Coming in from the United Kingdom, by way of Panama, California and Washington ports, the Donaldson freighter Gregalia is due here today, according to A. E. Shanks, of Rithet Consolidated, local agents for the line. The Gregalia has 250 tons of general for discharge here. She will dock at Rithet Piers and, on completion of her business at the local dock, will continue to Vancouver.

## OUTINGS TODAY

Gulf Islands outings are the order today. Coach Lines and Gulf Islands Ferry are combining in a land and water affair through the Gulf Islands, the buses leaving the Broughton Street depot at 9 a.m.; while the B.C. Coast Service is sending the Ss. Princess Joan out this afternoon, the excursion vessel leaving the Belleville Street dock at 2 o'clock.

## ADDITIONAL SERVICE

In addition to the regular service between Victoria and Seattle this season, the B.C. Coast Service will place the Ss. Princess Joan and the Ss. Princess Elizabeth on the same run, starting June 26. Maintaining the night run to Vancouver, the Elizabeth and Joan will alternate daily to Seattle, sailing from Victoria at 11 a.m. and returning here from Seattle at 9:45 p.m.

TOURIST PARTY  
REACHES COASTAdvance Guard of West-  
ward Movement Arrives  
From Prairies

The advance guard of an army, a traveling army numbering between six and seven thousand tourists, reached here this morning from the Prairies on the second section of Canadian Pacific's train number 3, when over 400 members of the Prairie Gladiolus Society excursion disembarked.

This group, the first of seven specially organized excursion parties coming to the Coast over Canadian Pacific Railway lines from the West this Summer, was from Regina, Moose Jaw and Calgary, and were under the conductorship of W. Pirt, who has been successfully piloting large groups of visitors from the East to the Coast for the past several years.

After their first long draft of "salt air," the group wended their individual ways, with friends or relatives, which they will pursue until their visiting limit of ten days expires, those for Moose Jaw leaving on train number 4, June 17, and those for Calgary on train number 4 the following day.

This is the first large contingent of Coast visitors this year, and they herald what is predicted to be the greatest travel year for some time.

Their total numbers neighboring 6,000, the next large group of travelers from Prairie cities to invade Vancouver, will be the Calgary Gladiolus Society members, arriving here June 17. They will be followed by the Alberta Provincial Rifle Association, July 4; Gladiolus Society travelers from Winnipeg and Regina, July 5; Canadian Legion excursionists from Calgary, July 18; Regina Rotary Club members, August 2; and the Calgary Branch excursionists on August 14.

contract from ten to twenty-five or more times, after which it becomes quiet again and then following this the contractions occur again, and then again the stomach becomes quiet. If no food is taken, these pains become stronger and occur oftener. In the child the quiet periods (when there are no contractions and pains) lasts from 10 minutes to one hour, and from one to three hours in the adult.

In his book, "The Control of Hunger in Health and Diseases," Dr. A. J. Carlson says that with strong hunger contractions there is an unpleasant or even painful sensation in the region of the stomach. While these contractions are painful enough to make an infant cry, they are often unnoticed by the adult, but there is a feeling of weakness, irritability and an inability to concentrate, and also a feeling of tiredness, fatigue and lack of desire to work.

Now if these symptoms were due to just tiredness or fatigue, rest should bring relief, thus Drs. Howard W. Haggard and Leon A.

Greenberg point out in their book, "Diet and Physical Efficiency":

"The feeling of fatigue and irritability that shows the need for food is not relieved by rest, but is relieved by food. And the food that appears to be most needed is sugar."

Thus the piece of bread covered with brown sugar our mothers gave us after school was really a "scientific" method of preventing quarrels and crying spells.

A lump of sugar, a piece of taffy, a chocolate bar or a banana at mid-afternoon should relieve those feelings that were formerly thought to be due to fatigue.

## North Saanich Nine Defeats New Method In Softball Tussle

Byers Twirls Suburbanites to 7-3 Victory Over Leaders—Kents Trough Victoria Longshoremen, 8-3—Bruins Beat James Island, 18-9

HOW THEY STAND

	W.	L.	Pct.
New Method Laundry	6	2	.750
Painters Bruins	6	2	.750
Kents	5	3	.625
Victoria Longshoremen	3	4	.429
North Saanich	2	5	.286
James Island	1	7	.125

Last night's scores:  
North Saanich 7, New Method Laundry 3.  
Kents 8, Victoria Longshoremen 3.  
Painter's Bruins 18, James Island 9.

Playing inspired ball with Myers, ace moundman, back in their camp, North Saanich softballers last night upset the dope bucket when they defeated New Method Laundry, 7-5, at Sidney. The suburbanites turned in their smartest exhibition of the season, and once again established themselves as champion contenders.

It was the second successive setback for the laundry boys and left them sharing with Painter's Bruins the top berth in the "A" section flag race. Fuelmen pulled up level with the New Method when they trounced James Island, 18-9, at Victoria West Park.

At the Royal Athletic Park, Kents turned in an improved exhibition over earlier games and took the Victoria Longshoremen into camp, 8-3. The outcome placed the music house men in third spot, just one game behind New Method and Bruins, joint leaders.

**TIMELY HITTING**  
Timely hitting and smart fielding, coupled with circuit smashes by Heal and Byers, brought the North Saanich boys through to victory over the New Method Laundry.

Heal crashed out a four-base hit, North Saanich took the lead in the next frame when Byers' long bingle was good for a complete trip around the cushions. Clanton was on at the time.

New Method pushed across two markers in the sixth, their last runs of the game, and the teams were deadlocked in a 3-3 score. A pair of tallies in the seventh and two more in the eighth brought the North Saanich boys through to victory.

Kelly Comerford, recently acquired by the laundry nine, worked for eight and one-third innings before Art Carr was called in. Byers went the distance for the winners.

Score by innings:  
New Method ..... 100 002 000-3  
North Saanich ..... 012 000 22x-7  
Batteries: Comerford, A. Carr and Knapp; Byers and King.

**HITS HOMER**  
Noel Morgan's homer in the fifth frame, with two runners on the paths, paved the way for Kents' 8-3 triumph over the Victoria Longshoremen at the Royal Athletic Park.

It was a bang-up ball game with the teams deadlocked in a 2-2 count before Morgan laced out his four-bagger, a long hit to the left field fence.

Kents added a trio of markers in the seventh to bring their total for the evening to eight. Longshoremen fought back, but their best effort was one additional tally and that came in the eighth session.

The winners collected eight safeties from the offerings of Ralph Bonner, one more than his teammates secured from the slants of Lloyd Jones.

Score by innings:  
Longshoremen ..... 002 000 010-3  
Kents ..... 020 030 30x-8  
Batteries—Bonner and Fleming; Jones and Caddell.

**BRUINS WIN**  
Punching out eighteen base hits from the combined offerings of Devlin, Smith and "Rosy" McLellan, trio of James Island hurriers, and making each of them good for a run, Painter's Bruins trounced the Islanders, 18-9, at Victoria West Park.

Fuelmen pounded out seven hits off Devlin in two innings; nine off

Smith in one inning, and two off "Rosy" McLellan in five frames.

Lloyd Simpson started on the mound for the Bruins and was nipped for thirteen safeties in five and two-third frames. Harold Turner replaced him and allowed one hit in three and one-third sessions.

Score by innings:  
James Island ..... 000 036 000-9  
Painter's Bruins ..... 029 000 10x-18  
Batteries—Devlin, Smith, McLellan and Banks; L. Simpson, H. Turner and Berry.

In a postponed "D" section game Hollywood Club defeated the Odd Fellows, 9-4, at Hollywood Park.

## Long Drivers to Get Opportunity At \$1,000 Prize

NIAGARA FALLS, Ont., June 8 (P).—First major Canadian golf event of the year, the General Brock Open at Lookout Point, near here, next month will have as a side attraction a driving contest that promises to attract most of the country's finest wallflowers.

Its \$1,000 prize money is twice what was offered for a similar contest conducted by the United States Professional Golfers' Association recently and won by Sam Snead, pro at White Sulphur Springs, W. Va.

Jimmy Thompson, of Hollywood, rated the game's longest hitter, will compete at the Lookout Point event July 7.

TURNBERRY, Scotland, June 8 (P).—Pamela Barton, defending champion and holder of the United States women's title tonight looked the pick of the field in the British women's amateur golf championship, as she completed her second round with the loss of but one hole in two days' play.

In the second round the brilliant young Briton defeated Mrs. H. J. Percy, 7 and 6; while Toronto's Isabel Peppall passed from the scene, defeated 5 and 4 by Lady Katharine Cairns, of Bath, England, twenty-five-year-old daughter of Earl Cairns.

The day's principal upset saw Wanda Morgan, English champion and 1935 British titleholder, beaten by Jean McCulloch, of Scotland, 2 and 1.

**FACES FORMER WINNER**  
Two rounds will be contested tomorrow and two more on Thursday.

## Strong Field to Tee Off in City Golf at Colwood

ACCORDING to information received yesterday a strong field will tee off next week in the annual women's city golf championship contest at the Colwood course.

With the eighteen-hole qualifying test set for Monday, and the entry list closing on Friday with Mrs. J. Macfarlane, women's secretary at Colwood, formidable representation is expected from the various local clubs.

It was also stated that the course will be available for competitors, free of charge, on Friday. Miss Mary Mackenzie-Grieve, Mrs. E. Jackson and Miss Dorothy Fletcher will head a delegation of shotmakers from Uplands Club.

Mrs. S. Enke will be a strong standard-bearer from George Vale, while Mrs. Hew Paterson is entered from Oak Bay, and the Hodgson sisters, Peggy and Phyllis, are already in from Colwood. There is also a possibility that Miss Marjorie Todd, a twice former titleholder, will be in the field when it tees off Monday.

Here's the smart front line of attack of Charlton Athletic Football Club, which will be playing against a representative Victoria eleven at the Royal Athletic Park, June 14, at 6:20 o'clock.

Charlton, known as the wonder team of English soccer, rose from the Third Division to the First in three straight seasons. Last season the Athletic finished in second place behind Manchester City.

Charlton's forward line, pictured here, is as follows: Left to right, J. Wilkinson, George Robinson, George Tadmam, Les Boulter and Harold Hobbie.

with the final Friday. In the third round Miss Barton will play Mrs. A. M. Holm, former British champion, who today defeated Jean McClintock, 2 and 1.

The long-driving Barbara Thompson, of Los Altos, Cal., was the only American left in the tournament. She defeated Betty Henderson, of England, in the second round, 4 and 2.

Others still in the tournament include Peggy Nankivell, Melbourne, Australia, who will play Miss Thompson tomorrow.

**Latonia Derby Is Set for Saturday**

COVINGTON, Ky., June 8 (P).—A field of fifteen, including the Kentucky Derby show horse, Reap-ward, was indicated today for the \$15,000 added Latonia Derby.

Four "also rans" from the Kentucky classic also will go to the post Saturday for the fifty-fifth running of the Latonia feature race for three-year-olds.

War Admiral and Pompoon, win and place horses of the Kentucky Derby, and Preakness were among the fifty-one nominated on May 10, but neither will start. The injury to War Admiral in the Belmont, last Saturday, prevented Sam Riddle's colt from trying for the \$5,000 premium offered by Latonia if the winner of its Derby also won the Kentucky Derby.

**CLAIM AGAINST BOXER IS LOST**

Kaplan's Suit Against Tommy Bland Dismissed After Short Court Hearing

TORONTO, June 8 (P).—Judge Daniel O'Connell gave judgment today dismissing both the claim and the counter-claim in a suit brought by Michael Kaplan, of Edmonton, against Tommy Bland, Toronto boxer, for \$745.50.

Kaplan's alleged breach of agreement in respect of expenses incurred when he accompanied Bland as manager on a tour of Great Britain in 1935.

The manager told the court Bland verbally agreed to accompany two other boxers on a professional tour of England. During the tour, he said, Bland earned \$1,336 in purses.

"I was to get 33 1-3 per cent of all purses," Kaplan declared, claiming expenditures exceeded Bland's earnings by \$745.

Bland denied owing Kaplan anything. "I earned all I got," he testified. "I understand he was to get one-third of my earnings, but no mention was made of losses."

"I find there was no agreement that defendant should work off any losses," ruled Judge O'Connell.

## YORKSHIRE IN EASY VICTORY

Mitchell and Smailes Lead Yorks to One-Sided Win Over Kent Eleven

LONDON, June 8 (P).—Arthur Mitchell and T. F. Smailes put a capital "B" in brighter cricket today. The usually staid Yorkshire pros smashed Kent's bowlers unmercifully, Mitchell hitting up 86 runs, seventy-eight of them in 28 minutes, while his colleague com-

pleted 58 not out in twenty minutes. The White Rose County won by 287 runs to pull further ahead in the English county championship.

table. Mitchell made the Kent attack look like child's play, banging out four 6's and ten 4's. Smailes got a 6, a 5 and twelve 4's.

Sussex, runner-up to Yorkshire, lost on the first innings to Hampshire; Worcestershire trounced Glamorgan by nine wickets; Warwickshire defeated Gloucestershire by six wickets, and Lancashire edged out a 22-run victory over Middlesex.

In other matches, first innings' points were taken by Surrey from Essex, Leicestershire from Somerset, and Northamptonshire from Nottinghamshire. Derbyshire emerged winner against the New Zealanders by 202 runs.

**THE SCORES**  
Yorkshire, 297 and 328 for seven wickets, declared; (Mitchell 86, Smailes 80 not out); Kent, 254 and 84 (Smailes five for 16); at Bradford.

## CHICAGO CAPTURES CLOSE BATTLE FROM NEW YORK CLUB, 5-4

Lefty Thornton Lee Pitches Jimmy Dykes' Team To Tenth Straight Victory—Auker Allows One Hit in Blanking Athletics—Pirates Trough Phillies—Cleveland Indians Go Under

### AMERICAN LEAGUE

CHICAGO, June 8 (P).—With "Lefty" Thornton Lee scoring his third victory over the New York Yankees this season, by a score of 5-4, the White Sox today ran their winning streak to ten straight games.

As the Indians lost to the Red Sox, the White Sox triumph put them in a first-place tie with the world champion team that has led the American League since May 24. They are a full game ahead of Cleveland.

Lee, who was touched for nine hits, had most of his trouble with Joe Dimaggio and Lou Gehrig, who accounted for all the Yankee runs. Dimaggio hit his ninth home run of the year and fourth in four days. Gehrig clouted his eighth four-bagger.

Batteries: Bronco, Murphy and Dickey; Lee and Sewell.

**Allows One Hit**  
DETROIT, June 8 (P).—Elden Auker, veteran Detroit right-hander, blanked the Philadelphia Athletics with one hit today, missing a perfect performance only because of Bob Johnson's solid smash for two bases against the scoreboard in the fourth inning. The score was 6-0.

### NATIONAL LEAGUE

PHILADELPHIA, June 8 (P).—Hitting safely in every inning but the first and eighth, the Pittsburgh Pirates today snapped their five-game losing streak with an 8-1 rout of the Phillies. The Buccaneers banged out thirteen hits, including home runs by Al Todd, Bill Brubaker and Woody Jensen.

The triumph gave the Bucs a four-point shade on the idle Cubs in the percentages, a game and a half behind the Giants.

## Jane Dixon Says:

THE GIRL IN TODAY'S LETTER IS IN LOVE WITH LOVE, ECSTATIC ONE MINUTE AND MISERABLE THE NEXT, AND THE MAN OF HER DREAMS ELUDES HER

"Love is such sweet sorrow," Shakespeare said it as none has said it since. He must have been thinking about just such a girl as we meet in today's letter. She is ecstatic and she is miserable. She rides high on a rosy cloud when love smiles. When love frowns her pain is poignant. She is eighteen and in love with love. There'll never be another like this one, she cries, and she is right. First love is a fever different than any other fever that besets the human race. Painful, but seldom, if ever, fatal either to health or to happiness. It breaks out in tears and tra-la-las, of heartbeats and heartburns, and suddenly it is gone without leaving so much as a tiny scar to mark its seige.

Dear Miss Dixon:

Please tell me what to do!

I am a high school girl, eighteen, and I have fallen in love with a boy my own age. He is in all of my classrooms. We sit near each other.

## HE GOES WITH ANOTHER GIRL

Last September he took me to a party, and that started it. I did not know until later that he already went steadily with a girl I know and that she knew all about his taking me out.

Instead of forgetting about him I kept on caring for him more and more. He has taken me to a couple of parties since, and he has been in my home. My family think he is swell and they know how I feel about him, but they keep reminding me there are plenty more fish in the sea. I can't see this because every boy I've been with since seems idiotic and means nothing to me.

I don't seem to get this one boy out of my mind. Every dream of mine has him in it. I watch for him to pass my home so I can run out and wave or say hello. When he phones me about home work I hid myself into believing it's just an excuse to talk to me. I cry myself to sleep almost every night praying I can have him as my boy friend. When he passes his steady girl in the school halls and they stop and talk, my eyes fill with tears. I say to myself, "What has she that I haven't?" I have nice clothes, am not hard to look at, people say I have a nice personality and I get on well with everyone.

Still I haven't the it takes to get him.

Of course he does not know how I feel. Please! Please tell me what to do. I love him so much and I can't stand the teasing I get at home much longer. I'm crazy about this boy. How can I get him?—S.K.

## AWARE OF HER AFFECTION

Answer: You are kidding yourself when you say the boy doesn't know how "crazy" you are about him. He does know very well, and because of the eternal masculine in him, he probably gets quite a kick out of your craziness over him, even though he has no particular use for the insanity. What is more, the regular girl knows about it and she is either amused by your goofiness or she is smugly sorry for you.

Such knowledge ought to take you out of your trance and land you safely on solid ground where you can take your woman's pride in one hand and your sense of fair play in the other and try to cure yourself instead of giving way to your weakness. It is the boy's right to care for the other girl. Perhaps she cares for him as deeply as you do. So why insist on inserting yourself between them? If he preferred you he would drop the other girl and take steps to be your boy friend.

Stop worrying about how you can "get" him and think about how you can get yourself in hand. He will be more interested in you—at least he will be piqued—if you will stop running out of the house to hail him and if you will treat him at all times like a casual friend instead of a lost hero.

There is nothing I can do, nothing you can do to force this boy to prefer you to another girl. Your tears are so much water over the dam. Your desperation is so much wasted energy. Cultivate self-control, poise, a will to recognize the rights of others and to abide by them.

If you turn your mind to forgetting this boy as vigorously and as earnestly as you have to getting him, a year from today you'll marvel that you ever could have been so "crazy."
